Dear Parents/Carers

This week has been another busy week at Broadway First School and both Jupiter and Saturn held their Inspire Workshops. Children and their parents made lanterns like the one associated with Florence Nightingale as she was known as The Lady of the Lamp!! They had lots of fun tracing pictures to put together their own design. Both workshops were very well attended and we thank you for coming along.

Mars (Class 4) and Venus (Class 3) will hold their family lunches this week and we hope you will be able to join your child. Details are in the weekly planner and family members will need to bring along their own lunch.
