**From Dr Browning:**

This week the school has been a hive of arts based learning. Many of our older children performed in the concert on the Village Green on Monday and all have had great fun working with a wide range of artists. Thank you to Mrs Irvine who helped to organise all the activities.

Congratulations to all the children and staff for a fantastic sports day and to Mr Chapman for ensuring the event ran well and organising everything.

We have also started distributing information about our Laugh 'n' Learn Preschool facility, which will open in September. If you would like to know more or apply for a place please contact reception.

### Jupiter Class

Jupiter class have had lots of fun for the Arts Week! Our favourite part has definitely been making our own jam tarts for the school show!

### Venus Class

It was an absolute pleasure to welcome Tom Redmond to the school on Monday. He worked with key stage 2 on a piece of music which they then performed on the green.

## **CHILDCARE IN WORCESTERSHIRE SURVEY**

Do you have a 2, 3 or 4 year old child? If so, we want to hear your views on childcare in Worcestershire.

Please complete our online survey at [www.worcestershire.gov.uk/childcaresufficiency](http://www.worcestershire.gov.uk/childcaresufficiency) – this will help us to plan and deliver sufficient childcare places in your area to ensure you can access your free childcare entitlement in high quality provision at the times and locations you need.

Free childcare is a great opportunity for your child to learn, have fun and make friends. In a recent study<sup>1</sup>, 64% of parents said they were using childcare to allow themselves to work, look for work or to study and 58% said they used the service for the child's social or educational development.

If you would like help completing this survey, or would like a copy of the survey in a different language or format, please contact us at <http://www.worcestershire.gov.uk/info/20507/childcare/1579/>
