Messages from Dr Browning and Mr Poultney:

On Wednesday, Year 4 and 5 travelled to the Bredon School for the annual cross country competition. All our runners tried their best and we were really proud of their efforts. A special mention to George H, Finley, Megan and Maddison who were our best finishers in the Year 4 boy and girl races. Alfie, Sam, Abigail and Grace T were our best finishers in Year 5 for the boys and girls respectively. Despite it being challenging I am pretty sure the children enjoyed the experience, well done.

This week Class 1 and Class 3 held their Inspire Workshops. It was great to see so many parents come along and take part in the activities with the children. Class 2 are holding theirs next Tuesday 20th November at 9.00 am. If you are coming along please bring a coat as it will be partly outside!

Today is Children in Need Day and the children had great fun coming in to school in their pyjamas with wacky hairstyles!! Thank you to everyone who contributed, we raised £100!! Well done everyone.

OFFICE NOTICES

Parent Governor Required

We are now inviting applications of interest from parents/carers of pupils currently registered at the school to fill our remaining Parent Governor role on the Governing Board.

The role of a governor is wide reaching, you'll need great planning and organising skills, be a strategic thinker, have a keen interest in all elements of the school, be able to constructively challenge and be willing to abide by the '7 principles of public life'.

Being a governor is demanding but it is also highly rewarding, having a say in the strategic direction of the school and making a real difference to pupils' well-being and success.

So, if you think you have what it takes to be a Parent Governor you can either 'self nominate' or nominate another parent (ensuring that they know you have put them forward).

The deadline for this nomination is **Friday 30 November 2018**.

If you want to make a nomination please complete the form attached.

If there is only one nomination that parent/carer will automatically become our new Parent Governor, if there are several nominations we will conduct a parental vote.

If you would like a confidential chat about the role then please contact Rachel Clements, Chair of Governors, by email at rachel@sproink.co.uk

Tombola Goods

Please can all families send in a contribution for the tombola stalls by Friday 23rd November. The Friends are hosting a stall at the Late Night Broadway Christmas Shopping Evenings on Friday 30th November and Friday 7th December. The Friends are in need of people to help out at the 2 stalls from 3.30 pm—9.00 pm. If you can spare an hour please contact the school office asap. These times include helping to set up and clear away.

Birmingham Museum Trip for Class 3 & 4

The trip planned on Monday 3rd December will be going ahead as planned. Don't forget that ALL children will need a named packed lunch even if they usually have school lunches as sandwiches cannot be delivered before the coach will leave at 9.00am. School uniform applies as normal.

Gymnastics

Anyone who has paid upfront for the full term will be receiving a £5 refund per child to cover the 2 lost weeks. This includes the TE day on Friday 26th October which had not been previously taken into account and the cancelled class last week.

Christmas Service

This year's Christmas Service will take place on Friday 14th December at St Michael's Church at 2pm. Parents are very welcome to attend and all parents are asked to collect their child/ren directly after the service. Only children who are either attending the last session of gymnastics or booked into WAC will be taken back to school with members of staff.

Nasal Flu Vaccinations

The NHS will be in school on Wednesday 21st November AM to vaccinate all those who have consented in Years R—5. If you have not sent in your forms please ensure they are with the school office by Tuesday afternoon. The nurses carry some spares so if you have not submitted your form your child will still hopefully be able to receive the vaccination.

Hedgehogs

This week in Maths, we have been making our own subtraction stories. The children have been using them to work out subtraction problems.

Foxes

On Monday morning KS1 and KS2 took a walk to St Saviours Church. Alongside the children from St Mary's school we had the opportunity to listen to and take part in the 100th Anniversary service to commemorate the end of the First World War. The children sang about peace and respectfully remained silence while the British legion honoured the fallen soldiers.

Owls

This week we held our Inspire Workshop and we had lots of fun getting creative and making our own animal masks. We have also been creating and decorating our clay hand Diwali in celebration of Diwali last week. We have been playing 'Vets' in the role play and learning about People Who Help us.

Buzzards

Buzzard Class have been re-writing the famous Flanders Field poem in their English lessons this week. They have re-written it based on the modern day appearance of memorial grounds across the world.
