**Help Needed**

**All classes would benefit from volunteers to help children read. If you are able to help in any way please let us know.**

Messages from Dr Browning and Mr Poultney:

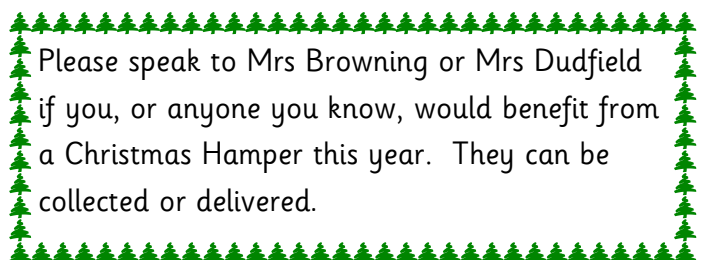

Children in Buzzard Class and Foxes Class had an exciting time this week. They visited The Birmingham Museum and Art Gallery to look specifically at the Egyptian artefacts. They also learned about colouring techniques and wrote hieroglyphics on papyrus. Buzzard Class proudly presented their work at their class assembly, together with presentations on a wide range of subjects including poetry, instructional writing and science. Well done to all.

We have had an enjoyable (and loud) practise today of our Christmas songs. Hedgehogs, Foxes and Buzzards are walking to church on Monday (please ensure that they have a warm coat) and then Year 2 will be walking to church to rehearse for their Nativity. All parents are welcome to join us at St Michael's Church at 2pm for the Nativity. Don't forget to collect your child from church unless they are booked in to wraparound or gymnastics club

Thank you to all that were able to help last week at the tombola stall at Broadway Late Night Shopping. It was very successful. Thank you, too, to all that are helping tonight. The money raised by Friends is essential for the additional extras in school, such as the Lempen Puppet theatre visit booked for the final week of term.

**Letters home this week:**

- NHS Hearing letters for Year R
- Martial Arts Club letter
- Christmas Hamper Scheme Flyer
- SRE Booklet for Year 5

Please speak to Mrs Browning or Mrs Dudfield if you, or anyone you know, would benefit from a Christmas Hamper this year. They can be collected or delivered.

### **Owls**

This week we have been busy making Christmas decorations and have been decorating Christmas stockings, making paper chains, writing Christmas cards and playing with Christmas play dough. We read the book 'We're going on an Elf chase' and drew pictures of our favourite Christmas objects. We explored the winter/Arctic animals in the fake snow and especially loved the water beads and watching them getting bigger as they absorbed the water.

### **Buzzards**

Buzzard Class did themselves very proud on Wednesday by performing their assembly to their families. Thank you to all of the family members who came to watch all of Buzzard Class's amazing work.
