Messages from Dr Browning and Mr Poultney:

Foxes and Buzzards have had their family lunches this week. It was wonderful to see so many parents and I know the children enjoyed sharing things in their classrooms.

Many children have really enjoyed the Daily Mile this week but unfortunately several were not able to participate on the field as they did not have trainers. Please ensure that your child's trainers are in school on Mondays, Wednesdays and Fridays.

The governors have recently updated the strategic vision for school. It may be viewed here: <https://tinyurl.com/y8ales79>

Whilst the governors have updated the plan, they are also very interested in your views of the school at present, and how we may evolve in the future. Please make sure you take a look at the Parent Survey so that you do not miss the opportunity to win a voucher for Russell's Fish and Chips. A separate letter has been sent out and we welcome electronic and paper responses.

Foxes

Are you sad, happy, angry or delighted today? Foxes class have explored emotions and have created sketches showing different facial expressions. Using different grades of pencils and oil pastels they have added depth and colour to their portraits.

Owls

This week class 1 had lots of fun pretending to go on a magic train ride to Australia for Australia day. We learnt about the important landmarks and animals of Australia and made Australian dot art. We also loved exploring the snow and noticing the ice melt throughout the day. What fun!

Buzzards

Class 4 have been using Ken Done's art for inspiration this week. Using bright colours and pastels, the children have created some beautiful art pieces of some famous London landmarks.

Hedgehogs

In DT this week, we have been making shortbread which we have designed. We had to choose a shape for it and two flavours to add to it. Don't they look delicious?!!
