Buzzards	98%

National target is 95%

House Points

Morris	1018
Eadburgha	1018
Lygon	1025
Russell	1042

Messages from Dr Browning and Mr Poultney:

What a fun week we have had. All our classes have staged Inspire Workshops and we'd like to thank all our visitors for their support. It's great to see so many family members sharing activities with their children. Owls used art to create different pieces of a large flag which will join together and go on their pirate ship. Hedgehogs created a piece of African themed silhouette art while Foxes experienced a range of activities around volcanoes. Finally, today saw Buzzards create a piece based on the solar system.

This week has also seen us celebrate World Book Day. Again, thank you for your support of this; the costumes were amazing. Mrs Browning had the difficult task of choosing two winners from each class with each winner selecting a book of their choice. The children then spent the day taking part in a variety of book themed activities around school. The children had a great day.

New Governors appointed

The Governing Body are delighted to announce the appointment of two new 'Co-opted' Governors to the Governing Board: Jackie Ferguson and Marion Davies, both of whom have a wide range of skills, knowledge and experience which will add value to our school. We still have spaces for Parents Governors, so if anyone is interested please contact the school! Remember, it doesn't have to be a parent. Other family members such as grandparents are free to apply too.

Letters home:

- Exemplar Education leaflets and reminder slips to Class 2, 3 & 4
- Bell Boating Letter to Years 4 & 5
- Rand Farm Residential letter to Years 4 & 5
- World Book Day vouchers for everyone

Foxes

Foxes class are still talking about how much fun they had during their visit to Reception during World Book Day. Please ask your child about their pirate and police station adventures in the morning as you sail past the ship.

Buzzards

Buzzard Class enjoyed having their families in this morning for their art/science Inspire Workshop. Based on the science topic 'Our Solar System', the children used oil pastels and paints to create an image of all of the planets in order from the sun. Using our rhyme (**M**y **V**ery **E**nthusiastic **M**other **J**ust **S**erved **U**s **N**oodles) the children impressed their parents by informing them of each planet and its position in our solar system.

Hedgehogs

What a busy week Hedgehog class have had. On Tuesday we had our Inspire Workshop. Thank you to those who attended. Your art work looks amazing! Then, on Thursday we celebrated World Book Day. Here are some of our won-

Owls

Class One has had a busy week this week with a creative Inspire Workshop where we made our own Broadway First School pirate ship sail! We also had fun on World Book Day, dressing up as characters and doing lots of different activities with our House peers. Class One also made our own dinosaur nests to keep our dinosaur eggs safe and were lucky enough to see a real birds nest too!

Next week:

Monday 11th March	3.15 pm Spanish Club 3.15 pm Team Games
Tuesday 12th March	3.15 pm Netball club LAST ONE
Wednesday 13th March	Book & Biscuit for Class One 3.15 pm French Club 3.15 pm Martial Arts Club
Thursday 14th March	<i>NO DANCE CLUB</i>
Friday 15th March	Comic Relief Day 9.00 am Class 4 Assembly PM Class 2 Forest School 3.15 pm Gymnastics Club

After School Club News

I am sorry that we had to cancel both Team Games and Martial Arts this week, both of these were due to unforeseen, last minute circumstances but normal service will resume next week. An additional class will be added on to make up for the missed class.

As mentioned in the newsletter last week, Dance club will **not** take place next Thursday 14th March, but again an additional session will be added at the end of the paid for sessions.

Rand Farm Residential Trip

All parents and children who are going on the Rand Farm trip from Monday 13th—Thursday 16th May are invited to attend a meeting on Thursday 11th April. The full itinerary for the week will be discussed and there will also be an opportunity for any queries to be answered. Essential forms for the trip are being sent home today. Please can you make sure that they are returned by Friday 12th April.

Eye Tests for Reception Children

Staff from the NHS will be coming into school on Thursday 21st March for eye tests for Reception only children. The letters issued only need to be returned if you do not wish your child to have the test.

Audio tests and height/weight monitoring will be taking place on Thursday 23rd May. More details to follow nearer the time.

Forest School For Year 2, Class 2 Children

Please note there will NOT be a forest school session on Friday 22nd March, normal sessions will continue the following week.

Fizz Pop Science Club

The fun science club will be delivering an assembly to the whole school on Tuesday 9th April with a view to holding an after school club in the Summer term. More details to follow.
