Messages from Dr Browning and Mr Poultney:

Owl Class, including pre-school children, impressed us during their class assembly this week as they recited stories and songs, shared their writing and models. It was lovely to see them and so many parents too.

A selection of our children have participated in this year's Small School Swimming Gala, with some of our swimmers coming first. Well done to all that took part.

On Thursday our older children attended their residential meeting. Not long to go now! A letter summarising all the key information will be sent on our return after Easter.

The children have had a fabulous day today, working in house teams on Easter activities. They have had a go on the climbing wall., made Easter Bunnies and Easter cards and had fun orienteering around the school grounds. This afternoon, the whole school went on an Easter egg hunt. There were lots of smiles and the children really enjoyed their hot cross buns and chocolate treats.

Finally, we would like to wish you all a very happy Easter. We look forward to seeing all of the children back at school on Monday 29th April.

Owls

Well done Owl class on an amazing assembly! This week we have been busy getting ready for Easter. We have been making Easter bags and cards, decorating Easter eggs and looking for signs of spring. We also drew spring pictures on the laptops and typed our names and simple sentences. Another busy week!

Foxes

Hedgehogs

For our Easter day, we have been making bunny boxes! They are very cute and have a surprise inside. We all worked together to cut out the boxes and stick them together.

Buzzards

The children LOVED orienteering today! Working with a map, a code-breaker sheet and a team of mixed ages, Broadway First School found all of the different points on the school map to sequence the code: STAY HEALTHY, KEEP FIT, LIVE LONGER!

Be prepared parents... children would love to try this at their local park!
