Messages from Dr Browning and Mr Poultney:

Thank you to all parents/carers that were able to make it for our Family Lunches this week. It was lovely to see you.

There has been lots of excitement this week as the parts for this year's big production, The Wizard Of Oz, have been given out to our older children. Of course, that is not the only source of excitement. Year Four and Five are off on residential next week. **Children going to**

Rand Farm need to be in school by 7.15am on Monday ready to leave at 7.30am.

Next week we have the remaining class lunches. Grandparents of children in Class One are invited in on Wednesday; and grandparents of children in Class Two are invited in on Thursday. If grandparents are not available, a different family member is most welcome.

Letters sent out this week:

- Beach day letter for Class 2, 3 & 4
- Lunch order form for Summer term 2
- Rand Farm letter for Class 4

Foxes

This week Foxes have spent time measuring their carrot plants. Using a mix of scientific knowledge and mathematical measuring skills they will continue this experiment until the end of the Summer. Once the experiment is complete I will ask the children's suggestion as to what we should do with our carrots.

Buzzards

Last Friday, Buzzard Class attended Fladbury Paddle Club to take part in bell boating activities on the river. The children behaved perfectly and really enjoyed the morning out on the river. They particularly enjoyed travelling up and down the lock, where we learnt all about why locks are used to help raise or lower boats to different levels of water.

Owls

Last week we had an amazing time at Costwold Wildlife Park and loved seeing all the big and small creatures of the world. To support our trip we have been reading 'Dear Zoo' and writing our own letters to the zoo. We have also been practising to read and count our numbers to 20 using animals and creatures. We have also painted our favourite zoo animals and made animals using salt dough.

Hedgehogs

What an amazing day we had at the Cotswold Wildlife Park. We saw so many animals and were beautifully behaved.

Mrs Dudfield Absence

As Mrs Dudfield will be accompanying the residential trip from Monday to Thursday next week, she will not be available to talk to during this time. If you need to make any bookings for our Wrap Around Club please contact the school office either on 01386 852485 or office@broadway.worcs.sch.uk.

Friends

The Friends of the school met last Tuesday and have made the difficult decision to no longer operate. They have tried to recruit more members to help out with organising events and spreading the workload but to no avail. They have very generously agreed to fund a further term of music lessons, a lump sum to enhance the school library, a few new benches for the playground and a large contribution towards a school outing in the Autumn term which will therefore reduce the overall cost to parents. This means that all the remaining funds will be spent and the Friends will officially be no more.

We would like to thank the Friends for all their hard work and commitment over the last few years. Their work has helped to provide much needed resources for the school as well as contribute towards numerous school trips and outings.

Beach Day for Class 2, 3 & 4

A letter was sent out on Tuesday regarding an outing to Weston Super Mare taking place on Thursday 18th July. This has been funded fully by The Broadway Trust which is fantastic as this means the trip is completely free of charge to everyone!!! We would like to say a very big thank you to them for enabling this to happen. As referred to in the letter we only need to hear from parents if you DO NOT wish your child/ren to go on the trip. A further letter detailing the day will be sent out much nearer the time.

Lunch Order Forms

Lunch order forms for Summer term 2 have been issued this week and need to be handed in by **Monday 20th May** in order to receive lunches the first week back after the half term break.

If your child/ren is in Class 2, 3 or 4 please DO NOT order a school lunch on this day as all children (**even if they receive free school meals**) will need a named, disposable packed lunch as well as an extra drink.
