Buzzards	100%

National target is 95%

House Points	
Morris	1214
Eadburgha	1210
Lygon	1220
Russell	1226

Messages from Dr Browning and Mr Poultney:

The children had a fantastic time at Rand Farm this week. There are a range of photos celebrating their achievements on the school website—take a look if you have not already seen them. They will be sharing all of their news and excitement on Friday 24th May in a special assembly.

It was lovely to welcome the family members of children in Owl Class and Hedgehog Class to their Family Lunch this week. Thank you to all that were able to attend.

It is with much sadness that I must inform you that the Friends of the School has now folded. They are donating the money remaining in their account for books, music lessons and playground equipment. Thank you to everyone that has been involved in Friends of the School in any way over the last six years.

On Sunday staff from Waitrose have volunteered their time to help repaint the school fences. If you are free from 10am and are willing to help, please let Mrs Godber know so that we can ensure we have enough equipment!

ROADWORKS

Please allow extra time for your journey next week. There will be roadworks on the Leamington Road.

Foxes

3D shapes can you name them? Triangular prisms, cones and square based pyramids are just a few of the 3D shapes that the children have made into models. See how many your children can name.

Hedgehogs

In Science this week, we have been testing different solid materials to see what makes it solid. We tested some play dough, a wooden brick, a plastic cube, ice and paper. We experimented to see if we could squish it, fold it or bend it.

Owls

Another busy week in the Own class! We have been planting bean seeds and learning about what a plant needs to grow. We have learning about 'camouflage' and made our colourful chameleons using different backgrounds to create their camouflaged colours. We have been reading the story 'I won't bite' and writing our own version using our favourite animals. In maths we have problem solving with addition, using our fingers, dice and number lines to explore this aspect.

Buzzards

Photos and an update regarding this week's residential will be in the newsletter next week.

Next week:

Monday 20th May	3.15 pm Summer Sports club
Tuesday 21st May	1.00 pm School office closed due to offsite meeting 3.15 pm Fizz Pop Science club

Monday 3rd June	TE Day—school closed to pupils
Tuesday 4th June	School term recommences

New Parent Governor

As a result of the recent process we are delighted to announce that Hanene Mcphail has now been appointed as our new Parent Governor. We warmly welcome her to the board.

Year 5 Leavers Festival

The Leavers Festival this year is taking place on Friday 5th July at Bredon Hancock's school playing fields from 6.30 pm - 8.30 pm. This year's aim is to give it very much a festival 'vibe' and not a formal prom. The children will be invited to take part in face painting (think flower power!) and be given wristbands to wear throughout the evening. Tickets are now on sale at the school office at a cost of **£8.50** each (cash only) which includes a supper of sausage & chips and squash (veggie option also available) . Entertainment will include a silent disco and also a few games too. This event is kindly hosted by the Friends of Bredon Hancock's.

Please can you notify the office at the time of purchase whether your child has any allergies which would prevent them from having their face painted. This evening is open to all of Year 5 even if they will not be going to Bredon Hill Academy and is a fun event to mark them leaving their current school. Rest assured the evening will be well supervised and a member of staff from Broadway First School will be in attendance. Please note parents are responsible for transporting their child to and from the venue.

Year 5 Leavers –T-Shirts

A letter was sent out regarding Year 5 purchasing a special t-shirt as a memento of their time here. If you would like to order one please can you hand in the form together with payment by next Friday 24th May at the latest. Mrs Gibbs is kindly organising this and needs to place the order soon in order to guarantee delivery by the end of term.
