Messages from Dr Browning and Mr Poultney:

Today has been a very busy day. It began with the children from Buzzard class presenting their residential assembly. Thank you to all those that came to watch. More information on the next page.

Our Reception and Year 1 attended the cluster multi-sports festival. The children had a great time taking part in lots of fun activities and making new friends. Year 2 capped off their busy week with a trip to Broadway Park as a treat for all their hard work during their assessments. We're really proud of the effort they have put in.

This week has seen some beautiful sunshine. Can we remind parents that while we encourage hats, sunglasses are not to be brought into school unless there is a recognised medical reason. This is to protect the children from any unfortunate accidents. Thank you for your support.

Attendance this week:

Owls 93%

Hedgehogs 95%

Foxes 96%

Buzzards 92%

National target is 95%

Letters home this week

- Letter from Dr Clements
- Year 2 Athletics letter
- Rays Farm leaflet to Class 3 & Class 4
- Grace Kelly Childhood Cancer Trust

House Points

Morris 1252

Buzzards

A big thank you to all the parents who attended our Rand Farm Assembly this morning. The children worked really hard to create short presentations about different parts of the Rand Farm trip. They were then treated to a video of the week created by Mr Chapman. We are hoping for that video to be put onto the website over half term. It was clear from this morning that the children loved their trip to Rand Farm and it was lovely to hear younger children in the school express their excitement at going in the future after watching Buzzard Class's assembly!

Owls

We've had a busy week this week! We have watched our beans grow and have enjoyed role-playing in the garden centre. We have also read animal alphabet books and have made our own animals with silly names using alliteration. We have been practising counting backwards to subtract. Reception also loved the mulitsports morning at Bredon too with lots of different games and activities.

Foxes

Foxes class have spent time making shadow puppets today. They have used the myth of "Thor and his mighty hammer" as inspiration. Ask your children to explain how shadow puppets work and how Loki managed to fly.

Hedgehogs

In Art this week we have been learning about different pencils and how we can use them to create different effects. We used them to draw a lion. They are brilliant. Look out for a photograph of our display.

To celebrate the end of a busy half term, the Year 2s went to the park. We had so much fun! It was all worth it in the end.

Next week:

Monday 3rd June	TE Date School Closed
Tuesday 4th June	3.15 pm Fizz Pop Science club
Wednesday 5th June	Book & Biscuit for Class One 9.00 am Inspire Workshop for Class 4 3.15 pm French club
