Hedgehogs Ethan

Foxes Ava

Buzzards Maddison

Attendance this week:

Owls 95.5%

Hedgehogs 89%

Foxes 96%

Buzzards 96%

National target is 95%

Messages from Dr Browning:

As always, we have had an action packed week. Buzzard children had a visit from Safer School Team. Here the children were told about communicating through Facebook Messenger and playing games such as Fortnite and the importance of abiding by age restrictions and why they are in place. Buzzard class have also attended the annual Pershore Bellboating Regatta today. Following their practise sessions earlier this year, the children are determined to do well.

Next week is Arts Week. We have a number of events taking place in school to ensure we have an enjoyable and creative week. Don't forget the sponsored dance event that all of the children will be taking part in. All children brought a sponsorship form home 2 weeks ago and we hope it will raise money to help supplement the end of school show at the Lifford Hall. We thank you for your support.

If you have not already done so please can you bring in the £2 contribution for Arts week on Monday of next week. Unfortunately although the payment was set up via Parentmail+Pay the amount asked for is less than the minimum allowed to use the online system so cash only please.

Letters home

- School show ticket sales
- School Arts week letter for all except pre-school
- Main games at Fladbury for Year 5

Owls

What a busy week we've had! We have been continuing the story of 'The little red hen' and have loved making bread and also trying lots of different types of bread too. We have used tools to make jam sandwiches and have ordered and wrote instructions to make a sandwich. In maths we used 'messy' maths to share a value equally and in different ways! We are also very excited about our growing caterpillars and watching them get ready to make a chrysalis.

Foxes

In maths the children have been learning all about 2D and 3D shapes. They can now name the vertices, edges and find the 2D shapes in the faces of 3D shapes. Now that they are shape experts they have been challenging each other to complete a sequence using a variety of shapes.

Buzzards

Play rehearsals are in full swing this week! The Year 4s are becoming more and more confident in their roles as munchkins and the Year 5s have started focusing on the acting after learning their lines SO BRILLIANTLY! Tears have been shed by teachers this week with some of the songs.... You may need some tissues in three weeks, parents.

Buzzard Class also took part in a very important safety meeting with a local Police Support Officer on Thursday. They learnt about the safety precautions when travelling to and from their next school on the bus and important ways to keep safe online. Today, we took part in the Bell Boating Regatta in Pershore. Thanks to all the parents who attended. We will have pictures available on facebook and in the newsletter next week.

Early Closure for WAC on Show nights

Please note that on the evenings of the school show, Wednesday 10th and Thursday 11th July, after school Wraparound Club will close at 4.00 pm, there will be no snack provided on these two days. This will enable the children to have their dinner and a rest at home before the performance.

For planning purposes there is Wraparound **will not** be running on the final day of term, Friday 19th July.

School Uniform Sale

Mrs Gibbs will be hosting an end of year school uniform sale at 2.00 pm next Tuesday 25th June in the hall. There are lots of many good quality, pre-used items all at only £1 each.

At the end of this academic year Mrs Gibbs will no longer be dealing with the uniform sales so if you would like to take over this role please speak to the school office who will pass your details on to her. She assures us it is a simple role which does not take much time to facilitate.

Non-Uniform Day next week

Next week we are holding a non-uniform day on Friday 28th and asking all children to donate a small prize to the school raffle which will take place over the 2 nights of the school show.

Volunteers Required

On Sunday 14th July, a small team of volunteers from Waitrose Community Matters are coming to the school from 10.00 am—4.00 pm to continue to paint the railings at the front. If you could spare an hour or two to assist with this we would be very grateful. Please let the school office know if you are to able to help.

School Shoes

It has been noted that there have been several children wearing trainers to school and not proper school shoes. Please can you ensure that your child wears the correct school uniform including footwear.

Beach Day Thursday 18th July

Beach day is fast approaching for Classes 2, 3 & 4 and we are busy preparing for it. If your child/ren is not going to be here, for example due to holiday already booked, please can you let the school know as soon as possible as we need to be aware for planning purposes. We have not received any notification saying they do not wish their child/ren to take part therefore we are potentially taking 79 children!!

School Show Tickets

A letter went out this week regarding the sale of school show tickets. Please can you send your order and payment in as soon as possible to ensure you get the evening you want and to allow us to release unsold tickets to those who wish to purchase extras.

Sickness/Diarrhoea bug

We would like to remind parents that if your child has had sickness and/or diarrhoea, then they need to stay at home for 48 hours after symptoms have finished. These type of bugs can be very virulent and we obviously wish to minimise the spread.

Next week:**Arts week****Monday 24th June**

Sponsored Dance event at school

3.15 pm Summer Sports
