Morris	1369
Eadburgha	1365
Lygon	1364
Russell	1362

All children need PE pumps for the school show. Please ensure they are in school for Monday and clearly named.

Messages from Dr Browning:

Children have really enjoyed visiting their new classes this week whilst Year 5 visited their new schools. Next week our transition day is on Friday, and our Year 5 children will work with Mr Chapman to prepare for Main Games and the rounders match.

Next week is a very big week for children in Broadway First School, Year 5 in particular. It is the school show on Wednesday and Thursday evening. The children in Year 5 started learning their parts before half term, and have worked incredibly hard on their roles. Whilst we allow younger siblings to school assemblies, this event is our showcase event, complete with staging, costumes and lighting. A younger child becoming unsettled can disturb the show for others, and put our performers off, spoiling it for all. This is why the decision has been made that younger children (including pre-school) should not attend the performances. We appreciate that this will cause inconvenience for some, but hope that you are able to respect the decision and therefore support the children that have worked so hard.

A separate letter will be sent out giving details for drop off and collection of children at the Lifford Hall. In the meantime, may I let you know that we have some fantastic raffle prizes this year. Together with generous donations from parents, businesses have made donations too. Prizes include a £25 Russells voucher, a voucher for dinner at The Hook (part of Farncombe Estate), hair treatment and blow dry at Muse; Sea Life Centre Family Ticket and Race Day Tickets for Worcester Racecourse.

As we start preparing for the end of term, please can you bring a named strong carrier bag in for your child, ready for things to be sorted to go home. Class 2 have also requested donations of shoe boxes and tissue boxes please as they are just a few short now.

## Hedgehogs

In Science this week, Hedgehogs have been learning about evergreen and deciduous trees. We have learned that evergreen leaves are waxy and can be needle like and deciduous leaves are wider and fall off the trees in autumn. We then went on a tree hunt around the playground. Why not go on a tree hunt and see if you can find some different examples too?

## Buzzards

Watch out parents! This week, alongside our final school show rehearsals, the children in Buzzards have been sharpening up their rounders skills in preparation for the parents vs children match! We have been working on different techniques to strike the ball effectively and in different directions, as well as working on our fielding skills. Throughout the week, we have made some final changes to the school show and the children have made even more teachers cry with their beautiful singing. We have an exciting few weeks ahead in Buzzard Class!!!

## Owls

Owls had their first transition day this week and what fun we had! Reception children went up to Hedgehogs and we had lots of fun meeting all our new children in Class 1. We look forward to the next transition date on Friday the 12th! We have been enjoying lots of water play in the warm weather, filling and pouring different containers and using the guttering to create water slides for the sea creatures and cars! We also released the butterflies into the garden and watched them fly. Such excitement!

**Next week:**

<b>Monday 8th July</b>	NO CLUBS Class 4 at The Lifford Hall all day
