Buzzards	97%

National target is
minimum 95%

House Points

Morris	1398
Eadburgha	1396
Lygon	1395
Russell	1390

Messages from Dr Browning:

What a wonderful week. The children performed The Wizard of Oz fantastically on both nights and it was wonderful to see so many people in the audience. I am sure you will agree that singing, acting and dancing made us all very proud. A huge thank you to Miss Boulton and all the other staff and volunteers that helped; it would not happen without all the support behind the scenes.

Today saw our final transition day. The children have had lots of fun meeting their new teachers and making new friends and are already looking forward to September.

Next week is our final week of the year. There are lots of things happening starting with Year 5 at the Main Games on Monday. Wednesday sees all our children participate in our annual tradition of walking to Broadway Tower. Children need to wear suitable clothes for the weather along with walking shoes or trainers. Do not send your child in open shoes or sandals. Many children opt to carry a rucksack to store their lunch, drinks and an extra jumper/jacket. If you have ordered a school lunch then a packed lunch will be delivered to the Tower, otherwise you must provide a packed lunch for your child. We will return during the afternoon in time for 3.10 pm. Thursday sees our trip to Weston-Super-Mare for Classes 2, 3 & 4. The coach leaves at 9am prompt. Please be on time as we are unable to wait. We anticipate returning at 4.30pm although we will keep you updated if this is likely to change. A letter with final arrangements for this day has been sent today via Parentmail from Mrs Nightingale. Again we would like to thank The Broadway Trust for making this day possible. Fingers crossed for good weather!

Friday is our Leaver' Assembly. All are welcome to join us on the field and to share a picnic lunch on the field after. We will then register the children at 1pm when you will then be free to take your children home. Note there are no clubs.

Here's to a fun filled last week.

Foxes & Owls

Well done Reception on your show dances, what an amazing time we had! In Class 1 this week we have been writing about what we liked about our year and what we would like to learn next year. We have been recapping our 2D and 3D shapes and using these shapes to make patterns and build models.

We also had a lovely visit from Class 3 who read us their own 'Room on the Broom' books! They changed the setting of the story some chose a castle, others the wild west and one group even chose the moon. They then created their own books on i-pads and paper.

We then had a delightful morning with Owls class sharing our stories. Owls class listened very carefully to their Fox class friends and really enjoyed having the older children as their mini teachers.

Hedgehogs

In DT this week we have been making our own cars. We used rods and reels to make axels. We really enjoyed making them. Thank you to those who brought in boxes.

Buzzards

The Year 4s and 5s did themselves and their parents proud performing at the Lifford Hall this week. We were practising all week so there are no photos unfortunately for this week. However, we can send a sneak peak of the Year 5 leavers assembly for next week! Mysterious...

Lunch Order Forms

As the deadline for lunch forms has now passed, orders received next week cannot be guaranteed for the first week of term.

SAVE CAKE FRIDAY!!!

A big thank you to all our wonderful bakers (& fakers!!) who have supplied cakes on Fridays throughout the year. They are always much appreciated on a Friday after a long week! We are losing several people on the rota and in order to continue cake Fridays on a weekly basis we really need more volunteers. If you would be willing to bake or buy 30 small cakes once every four weeks then please let the office know. All offers much appreciated!!

Next week:

- | | |
