Buzzards 94%

National target is
minimum 95%

House Points

Morris 1398

Eadburgha 1396

Lygon 1395

Russell 1390

Messages from Dr Browning:

It was wonderful to see so many parents this week, joining in with our myriad of end of year events. A pleasant evening was shared as staff and Y5 children played parents in a friendly rounders match. The parents won. We have also had our annual walk to the Tower and our trip to Weston-Super-Mare. Thank you to all parents that have helped make this possible, and also to the parents and grandparents that have consistently helped throughout the year.

Today has been a day of mixed emotions. We have celebrated and reminisced on the success of the year, and the special memories that our Year 5 children have had. Not only have we said goodbye to our Year 5 children with special events throughout the week; we have also said goodbye to several staff.

Mrs Hunt, fondly known by most of the children as 'Jenny' is retiring after over 30 years service to the school. She has been a treasured member of the team and will be missed. Congratulations and best wishes on your retirement.

Mr Chapman is getting married and he has taken a post at a new school. We would like to thank him for everything he has done for our school, particularly in sports, and wish him well with all of his future endeavours.

Mrs Irvine is also leaving for a post at a new school. Thank you, Mrs Irvine, for your hard work on our Arts Projects. We wish you all the best for the future.

We hope that you all have a restful summer with special times. Mr Poultney will be Acting Headteacher in September for the year, and he is looking forward to welcoming all of the children back on Tuesday 3rd September.

ADDITIONAL LETTERS

Final Farewell

Broadway First School Thank you for our grant!

What's been your favourite part about the beach?
Digging a hole and finding clay.
What have you learnt?
If you dig far enough there's clay!
What would you say to the people who paid for it?
Thank, you because they used their own money to give us a fun day.
Arthur

What have you enjoyed most about the beach?
Spending time making things with my friends.
What have you made?
A village out of sand.
What have you learnt?
Much more fun making things together and working as a team.
If you could say anything to people who paid for?
Thank you because I never go to the beach and this was really fun.
Megan

What have you enjoyed most?
Playing with my friends on the beach.
What have you learnt?
There are lots of shells buried under the sand.
What would you say to the people who paid?
This is the nicest beach I've been to and thank you.
Courtney

We all really enjoyed our trip to the beach.

Foxes

During our science lessons we have been learning about plant growth. We planted some carrot seeds and monitored their growth for 6 weeks. We then used this data to create graphs. Once the carrots had grown we pulled them up and made carrot cupcakes with them. The children made the cakes independently, some were more successful than others!

Hedgehogs

Hedgehog class have finished our moving vehicles. We have used saws, drills, glue, tape and lots of other skills to create a vehicle that can move. The children have really enjoyed this topic.

We had a great day walking to Broadway Tower. The children did so well to make it up and down on a very warm day.

Owls

A fabulous last week of term! We have had a wonderful time walking up to Broadway Tower and also enjoyed a sunny picnic in the park too! Throughout the week we were busy making cards for friends and we were also creative making masks of our favourite super heroes! Well done Class 1 on all your hard work this year!

Lunches for September

At the time of writing we are still missing a few lunch order forms for September. If you have not ordered lunches for September then your child/ren will need to bring a packed lunch from home for at least the first week of term.

SAVE CAKE FRIDAY!!!

A big thank you to all our wonderful bakers (& fakers!!) who have supplied cakes on Fridays throughout the year. They are always much appreciated on a Friday after a long week! We are losing several people on the rota and in order to continue cake Fridays on a weekly basis we really need more volunteers. If you would be willing to bake or buy 30 small cakes once every four weeks then please let the office know. All offers much appreciated!!

It's Panto Season!!

We have booked for the whole of Classes 2, 3 & 4 to go and see Cinderella at The Everyman Theatre in Cheltenham on Friday 13th December for a 10.00 am performance. The normal cost of this with transport would be in the region of £20 per child. However, thanks to the generosity of the Friends (a final farewell from them) we are able to offer it at **only £10 per child**. In order for us to take advantage of the early bird rate, all tickets will need to be paid for by **Monday 16th September** at the latest (hence the need to let you know now rather than later). The trip will be set up on the Parent-mail+Pay system from early September.

We would like to wish every a fun filled, safe Summer holiday and look forward to welcoming you back on **Tuesday 3rd September**.
