Atlas 97%

Himalayas 96%

National Target is 95%

House Points	
Morris	283
Eadburgha	275
Lygon	284
Russell	299

Messages from Mr Poultney:

Thank you to all our visitors so far this week to our family lunches in Atlas and Rockies. It was lovely to see so many visitors enjoying quality time with the children in class.

Alps and Himalayas have their family lunches next week so I look forward to seeing you then. Just a note, while it is tempting to look out for other siblings, please don't do this. It can be quite unsettling for some children and we also have to ensure the security and safety of all the children in our school. Please don't be offended if a member of staff mentions this as they are simply following our school policy.

Please be reminded that parking on the yellow zig zags outside of school is an offence. It also puts our families in danger. You will also note there are some 'Drop off' signs on the fence. The area in front of these is reserved for parents that want to drop their children off to staff. There should be no unattended vehicles in this area. Parking can be challenging but please don't put the safety of others at risk.

Have a super weekend.

Letters sent home this week:

- Letter regarding attendance and punctuality from Mr Poultney
- Bredon Hill Academy Open Evening flyer for Year 5
- Yearly Planner sent via email
- Spoktakular Event at All Things Wild (attached to newsletter email)

REMINDER: FRIDAY 24TH OCTOBER IS A TE DAY SCHOOL CLOSED

Alps

This week we have continued our learning on rhyming words and read Room on the Broom. We then designed our own rhyming broomstick, played rhyming bingo and made a silly soup with rhyming words. We have continued our learning about number 5 and have played games on the tablets, practised writing and ordering our numbers to 5. We explored the clean mud and made all sorts of things using different tools!

Atlas

Bonjour! In French this week we have been learning to talk about different members of our family. We can now say mother, father, brother and sister.

Himalayas

This week in maths, we have started our column addition and subtraction work and also looked at balancing equations. In English, we have discovered where the missing chocolate had gone and written some fantastic newspaper articles about it! Mr Poultney is not guilty.

Rockies

In Science, we have been learning about the different types of trees that we have around the school. We have learnt how to tell if they are evergreen or deciduous. Ask us to see if we can remember.

School Photos

Timelock Photography will be coming to school on Thursday 17th October in the morning. All pupils will have individual and sibling pictures taken on this day. If you have younger siblings (below school age) then as in previous years, the opportunity to have pictures taken from about 8.30 am will be there. Pre-School children will be included in the general 'run' of things.

Halloween Disco

The Youth Club will be holding a Halloween Disco for all children of Broadway First School on Wednesday 23rd October from 5.30 pm—7.00 pm. Tickets will be £3 each and will include sweets, a drink and a glowstick. All tickets will go on sale the week commencing 14th October before and after school on the playground. In between times, tickets can be purchased from the school office. Please note tickets will not be issued without full payment. If you are able to help out at the disco please see the office who will pass your details through to the organisers.

Flu Vaccination Forms

Please note the final deadline for submitting forms for your child/ren to have the nasal flu vaccination in school on Wednesday 23rd October is **Monday 14th October**. The NHS will be collecting the forms after this to make their preparations.

Lunch Order Forms

All lunch order forms for the next half term need to be handed in **by Friday 18th October at midday** by the latest to ensure your child/ren has lunch the week commencing 4th November.
