

Messages from Mr Poultney:

What a lovely last week we've had. It started last Friday with our visit to Cinderella with Mrs Fielder's class enjoying a visit from an artist while we were gone. On Monday, KS1 had a super day at Smart Trees where they saw the reindeers and visited Father Christmas. We had a lovely Christmas lunch yesterday and thanks must go to all those involved in setting that up, no mean feat with over 120 people in the hall. The children had a great day on Thursday with the classes enjoying their parties while showing off their Christmas jumpers and today we saw the staff panto performance and us gather for our carols. The children have really enjoyed themselves this week. On Wednesday we held a celebration assembly and prizes for the Christmas Art Competition were distributed to the winners. The Friends Christmas raffle has been very successful and has raised over £155 to date. A big thank you to Ella, Emma and the team for making this happen and for giving up so much of their spare time.

The HOPE appeal would like to thank everyone who generously donated so much to the local Christmas Hamper appeal. The Methodist Church had tables overflowing with goods allowing local families in need to enjoy a lovely Christmas.

I'd like to thank you for your support throughout the term and hope you have a wonderful Christmas and New Year. See you in 2020. Term begins on Tuesday 7th January.
