Important News

The Governors of Broadway First School are delighted to announce that following a successful recruitment process, Mr Poultney has been appointed as the Permanent Headteacher.

Congratulations!!!

Messages from Mr Poultney:

Adding to the news above, I'd like to use this opportunity to say how pleased I am that I have been given the permanent role as headteacher. I'd like to thank governors, staff, parents and children for the support given to me this year. We have a committed and hard working team that are determined to do the best for the children and we look forward to a bright future.

Thank you to the parents that visited our first Share a Story session yesterday. It was great to see so many of you. We will take a look at logistics so keep an eye out for details of next week's session.

I've had a few messages from local residents showing their displeasure at the parents parking on grass verges. Please ensure you are parking respectfully. Don't forget that Inspire Workshops are taking place next week. We hope to see you there.

Alps

What a busy week we have had in class 1! We had a fantastic time at the St Mary's Catholic school making our own faces out of different vegetables and pasta. We were very creative! We also spoke about Shrove Tuesday and celebrated by making pancakes as well as writing our own shopping lists. There was lots of excitement when we discovered that the Troll from the story 'Three Billy Goats Gruff' had made his new bridge in our playground! We discussed why he has chosen to live here, with the children reasoning that he is sad and must be looking for some new friends!

Himalayas

On the last day of half term, class 4 made traditional Italian pizzas to conclude our topic 'Where would you like to go on holiday?' This week, we have been practising our portrait skills ready to draw a Tudor portrait. We have also started our mysterious writing in English – they're pretty spooky!

Rockies

During Broadway Arts week, we were invited to go and work with children from St Mary's school and produce some art work. We all looked at different portraits. Year 1 children used vegetables to produce theirs and Year 2 children used clay. We all had a brilliant time and the artist commented how talented we were and how well we behaved. Well done Rockies!

Atlas

This week in Atlas class we have started our new topic of homes. We have been learning about the different continents and oceans to help us understand where we live.

Friends News

The New Friends held a meeting on Monday to start planning the next events. As soon as detailed are finalised we will advertise what is happening.

Don't forget we are holding a quiz night complete with a fish and chip supper from Russell's on Friday 27th March at The Lifford Hall. All tickets are £10 each - no more than teams of 8 people. Easter chocolate goodies are on offer as prizes! We will notify you as soon as tickets are on sale. Don't worry if you can't get a full team together as the Friends can coordinate this to team up with others who have smaller numbers.
