Rockies Sofia

Atlas Darcie A

Messages from Mr Poultney:

After a poll earlier this week, the theme for class names will be sea creatures.

Class 1 - Starfish

Class 2 - Turtles

Class 3 - Seahorses

Class 4 - Sharks

Thank you to everyone who voted. We can all look forward to some amazing door art next year.

Spare Uniform

If your child is leaving us at the end of this academic year and you have some spare school uniform, we would be grateful if you would consider donating it for spares. We would also welcome any uniform that has become too small or any pre-school uniforms that are no longer needed.

Just drop it in to the foyer and Mrs Godber will be happy to collect it from there.

On Wednesday, staff will be completing statutory first aid training. This means that there will be no Zoom sessions for this coming week. We will recommence the following week.

Thank you to all those families that read last week's message relating to home learning. It's been lovely to see more of you sending work in and collecting more Dojo points. It's been great seeing some new names feature more prominently in each class. Keep going.

Drop Off and Pick Up Times

Please can you ensure you stick to the allocated drop off and pick up times for your child/ren. This is essential in order for our social distance plan to work and keep everyone safe.

There is still a great deal of uncertainty with regard to the future of schools. Recent Government announcements stated that children in Years 2-5 are unlikely to be able to return to school this academic year. Measures in place for the year groups they insisted on returning leaves us, and many other schools, in a difficult position. Of course, should anything change you will of course be notified.

Have a super weekend and fingers crossed for some dryer weather.

Himalayas

This week George has been busy in the kitchen. They look delicious George!!

Rockies

Sofia has been having fun modelling with plasticine at home.

Key Worker Group

This week the Key Worker group has been learning all about chocolate! We visited our forest school and used our imagination to transform it into a new chocolate factory where the twigs tasted like Twix bars, and the grass was candy floss! We then used our ideas to produce some fantastic writing. We have also written our own recipes on how to be a good friend.

Alps

This week preschool and Reception have been busy writing about the focus story 'The Princess and the Wizard', making Fathers Day cards and treats, exploring bubbles, counting dragon spots and creating dragons.

School Lunches for September

Class Catering have informed us that for the first couple of weeks of the Autumn Term they will be offering a limited, basic menu to include sandwiches, jacket potatoes and some hot selections. They will issue the usual order forms as soon as they are available.

Please note if your child is moving from Year 2 into Year 3, school lunches are no longer free of charge. The daily charge is currently £2.30 per day.
