Attendance this week:

Starfish	98.5%
Turtles	94%
Seahorses	98.5%
Sharks	100%

National Target is 95%+

House Points

Lygon	363
Russell	388
Morris	362
Eadburgha	370

Messages from Mr Poultney:

This week has seen school invaded by Romans and Superheroes. Class 3 and 4 have seen their Roman topic come to an end and enjoyed a fun day with some great outfits on show. Speaking to the children in Class 3 demonstrated they have a great deal of knowledge on the Roman invasion. On Thursday, children in Class 1 dressed as their favourite super hero. Again, there were lots of fine attempts on show. Look out for the new topic fact sheets detailing what the children will be learning next.

Mrs Godber has also sent out a reminder from me today relating to the rules surrounding the national lockdown. Worcestershire is currently experiencing an increase in coronavirus infections. Please make yourself aware of what you can and can't do to keep everybody safe. It has also been noted that some families have been arriving after 8.50 recently. This puts the measures the school have in place to protect class bubbles at an increased risk. School is open from 8.40 every morning so **please ensure you arrive in good time** so that children can enter through their own door.

Next week is National Anti-Bullying Week. All classes will be working to establish what bullying is, the effects it has and how it can be dealt with and avoided should it occur. Staff at Broadway take this area seriously and we are fortunate that instances of bullying are extremely rare. If you have any concerns or would like further information then please contact your child's teacher.

MONDAY 16TH NOVEMBER

This year we are holding Odd Socks Day with the support of Andy Day, cBeebies star and front man of Andy and the Odd Socks. It is a chance for primary schools to celebrate Anti-Bullying Week in a positive way by asking learners to wear odd socks to school. There is no pressure to wear the latest fashion or buy expensive costumes. **All you have to do to take part is wear odd socks, it could not be simpler!**

Odd Socks day will take place on the first day of Anti Bullying Week, Monday 16th November to help raise awareness for Anti-Bullying Week.

It comes with a school pack of lesson plans and activity ideas, which you can find [here](#).

Starfish

Class 1 had a fantastic end to our Superhero topic with our superhero dress up day! There was a wonderful variety of creative costumes with a range of familiar superhero characters and some amazing characters using the children's own ideas. Great effort Class 1!

Turtles

This week, Class 2 have been starting to learn what London was like in 1666. We looked at Tudor houses and learnt how they were made. We also watched a video which showed us what it might have been like to live there then and compared it to London today.

Seahorses

This week, we have had a great time finishing learning about the Romans! On Tuesday, we dressed up as Romans, made shields and practiced forming the 'testudo' (a Roman battle formation). We even began our morning with a morning march just like the Romans did, the only difference is we didn't walk as far! Here you can see us practicing our Roman numerals.

Sharks

This week in Class 4, we have started our new English topic and have learnt a text all about polar explorer Sir Ernest Shackleton. We also had a very exciting Roman day on Tuesday; we wrote diaries as a rich Roman child (and learnt about their unusual food choices), solved Roman numeral puzzles and also made working aqueducts!

Children in Need 2020—Pound for Pudsey Day

Thank you to everyone who contributed to our Pound for Pudsey day today. We managed to raise **£120** for this fantastic cause. Don't forget to watch the special evening planned on BBC1 to see how others have also raised funds.

Parent Governor

As Mr Poultney mentioned in the newsletter last week we are looking for a new parent governor to join our Governing Body. Please take the time to view Jacqueline Ferguson's (our Chair of Governors), video clip https://youtu.be/N46EOhDVT_4 to see what the role entails. It is not as onerous as it may seem and we feel it is important to have parental views on the Board. A letter from Mr Poultney and Jacqueline Ferguson is attached to this mailing and Nomination Forms are available from the school office on request.

Remembrance Day

A big thank you to all those children who created a poppy based design. We received a fantastic number of pictures, clay poppies, crocheted and hand sewn poppies. Mrs Clements used half of the contributions for a wonderful display in school and the other half were donated to Spitfire Homes who were going to take them into one of their care homes for the residents to enjoy. Pictures will follow when we receive them.

A special mention must go to the Crocker family who created a brilliant, huge, painted cardboard poppy!!

Childcare Support Bubble

Under the new lockdown rules, households are permitted to form a *Childcare Support Bubble* with one other family to provide informal childcare for children under 13. For example, an adult from Family A could collect a child from school belonging to Family B. **This bubble has to remain the same throughout** and another family cannot be involved. Remember, children will not be allowed to leave school with a different adult unless this has been agreed in advance.

Flu Vaccinations

If you would like your child to have their annual flu vaccination, please make sure you return your form to school by next **Monday 16th November**. The NHS are coming in on Monday 23rd November to administer the vaccine but cannot give it to any child without written, parental permission. They do ask that you return the form even if you do not wish your child to have the vaccine to enable them to update NHS records.

Forest School

From next Friday 20th November, **Year 3** will be taking part in forest school on Friday afternoons with Miss Boulton for 4 consecutive weeks. Weather permitting, they will continue in the Spring term. Please send in warm, old clothes, coat and wellies in a named bag. Things you don't mind getting wet and muddy!!

Help One Person Eat Campaign

Broadway Community Christmas Hamper (foodbank) is a community project giving help and support to families and individuals experiencing a financial crisis. Due to Covid-19 the church are appealing for cash donations this year, not food. All donations will then be used for the church to purchase goods collectively and make up individual hampers for those in need.

Please see the attached poster for the full details.

Wrap Around Club Bookings

We would like to remind you that if you wish to use Wrap Around Club you need to book 48 hours in advance to give us adequate notice.
