National Target is 96%

### Message from Mr Poultney:

The news this week that restrictions will continue to the 19th July has meant that parent involvement in the final weeks of school will not be permitted. We are ensuring that the children can continue with as many activities as possible, especially our Year 5 leavers, before the year ends. However, we are now reviewing the recommendations made by the DfE and Worcestershire Children's First and the effect they could have on some of plans, especially our 'moving up' day on 30th June. We will of course notify parents of any changes as they happen.

I'd also like to personally thank Gren, who has taken the time to paint the gas meter cupboard near our school entrance. This was looking a little worse for wear but now looks far more appealing. Thank you!

Our Year Fives have begun rehearsals for their end of year performance. We know it will be a little different this year but they are keen to showcase their talents. As they cannot perform this in person to a live audience we are appealing to parents to see if anyone can help us by recording the show at a standard that can be shared. Please let us know if you think you can assist.

The 'Eat them to defeat them' campaign is in full swing with children trying sweetcorn and peppers this week. The campaign aims to provide children with some new, healthy eating options. I wonder what next week has in store?

Next week also sees some fun activities planned with World Music Day on Monday, a modified Sports' Day on Tuesday and bellboating on Thursday. More details are provided on page 3.

## SUNDAY 20th JUNE

## HAPPY FATHER'S DAY

### Sharks

This week in Sharks class, we have continued our work on poetry, writing sonnets and some very amusing limericks! We have also discussed Brexit and held our own election to vote for a Class 4 Prime Minister and made links to the British Value of democracy.

### Seahorses

This week in Seahorses, we have started learning about shape. We have explored different shapes in our environment and we have started to explore their different properties. In our Music lessons, we have had a go at composing our own repeated patterns and recorded these using notations.

### Turtles

This week, we have been learning about the different stages in Tim Peake's life. We have also been learning to tell the time. Please can you help us practise this at home? We are good at saying o'clock and half past but need to learn quarter to and quarter past. We have also been looking at different types of properties of materials.

### Starfish

This week, we have had great fun reading 'Oliver's Fruit Salad', making fruit kebabs and smoothies and exploring new tastes! We made natural tie dye material squares and explored painting with ice cubes. We have looked at sharing and grouping in Reception and patterns and measuring in pre-school.

House Points	
Lygon	874
Russell	888
Morris	878
Eadburgha	886

### End of Term

We would like to notify all parents that school will close at 2.00 pm on Tuesday 20th July, the final day of this academic year. **WAC will be open as normal for breakfast club but not for after school club on this day.**

### Deadlines

- Deadline to order Leavers sweatshirts from The School Shop website is today, Friday 18th June.
- Deadline for lunch order forms for the remainder of this term has now past.
- Deadline to order both Leavers or Class photographs is Monday 21st June. All orders are to be placed via [www.timelockphotography.co.uk](http://www.timelockphotography.co.uk)

### World Music Day

Next Monday 21st June is World Music Day and Miss Pearson, our Head of Music in school, has a fun day planned for the children including a drumming session and a performance from a local singer/songwriter.

### Sports Day

The whole school will be taking part in our annual Sports Day next Tuesday 22nd June 1.00 pm—3.00pm. Please can you ensure that your child has their full PE kit in school. Unfortunately, due to the continuing restrictions, we cannot invite parents in to spectate but will ensure we take plenty of photos.

### Bell Boating

All of Year 4 & 5 will be taking part in their second bellboating session next Thursday 24th June. **ALL** children will need to bring a packed lunch from home, even if they are in receipt of free school meals. A reminder letter of everything your child will need to bring has been sent home today.
