Message from Mr Poultney:

We are aware that a number of school's in the area have seen bubble close. We ask all parents to remain vigilant to the symptoms of Covid and act accordingly. We also kindly ask that any siblings that are currently at home due to a bubble closure do not visit our school to drop off/collect siblings so as to protect our community.

We have had a hugely positive and exciting week at school. On Monday, World Music Day saw us visited by local singer and songwriter Libby and Jason Bowld, the drummer from the band Bullet for My Valentine. Both performed to the children who enjoyed the day immensely and were truly inspired. I'm sure a few came home asking for drum kits.

On Wednesday, we had a modified Sports' Day, which again proved a success for the children although it was a shame parents could not attend. There were some great performances during the afternoon but what really stood out was the support, respect and togetherness the children had for each other. It was a real pleasure to see the children supporting each other throughout the afternoon. Our medal winners were presented with certificates on Wednesday and Yellow Lygon were the eventual winners of the House Cup. Well done to everyone.

Finally, Thursday saw our Year 4 & 5 children out on the river bell-boating. Another great day was had as we managed to paddle all the way to Chadbury weir and back.

After the year we have had, it's been really refreshing to celebrate and have some opportunities to enjoy our curriculum beyond the classroom.

Sharks

We have had such a fun week! Class 4 have loved the music workshops and watching our pupils and families play their instruments. We also really enjoyed sports day on Tuesday. Yesterday, we had our second bell-boating session and paddled extremely well (so are rather achy today). As well as all of this, we have been learning how to translate shapes accurately in maths and looking at how day and night occur in our science lesson.

Seahorses

What a busy week! This week, Seahorses have been learning all about 3D shapes. We have identified their properties and used this knowledge to build models of different 3D shapes. Year 4 enjoyed their bell-boating trip on Thursday and we all loved our musical guests on Monday to celebrate World Music Day! We have also finished writing our setting descriptions and some of them are really spooky!

Turtles

What a busy week we have had. On Monday, we were very lucky and had two musicians come and play for us to celebrate World Music Day. We had so much fun listening to them perform. Then on Tuesday, we had our sports day. It was so lovely to all come together and take part. We have also been learning about the different planets and continuing to tell the time.

Starfish

Class One had a fantastic week with so many enrichment activities! We loved singing and dancing to the professional musicians that performed for us and PE day was great fun! Class One showed wonderful sportsmanship and cheered their friends on in all the races. Well done, Class One!!

House Points	
Lygon	890
Russell	916
Morris	906
Eadburgha	910

End of Term

We would like to notify all parents that school will close at 2.00 pm on Tuesday 20th July, the final day of this academic year. **WAC will be open as normal for breakfast club but not for after school club on this day.**

Cotswold Water Park Day

We are delighted to announce that the whole school trip planned on Wednesday 14th July is going ahead as planned! As per the Government Guidance Key Stage One and Key Stage Two will travel on separate coaches and all necessary Covid precautions will be in place. Further details about what the children will need to bring, will be issued nearer the time.

Term Dates for 2021/2022

As you aware next year marks the Queen's 70th Anniversary as monarch with an extra Bank Holiday planned in June 2022. As the extra day falls in our normal half term break, Worcestershire Children's First have, this week, announced that the school year will finish a day earlier. For our school this means that the final day of term for the **next** academic year will be **Wednesday 20th July**. Thursday 21st July is the final TE day of the year. Our website will be updated to reflect this change.

School Reports

School reports will be sent home between the 7th—9th July, depending on the year group. As last year, we will be sending them home via Parentmail. This is both more environmentally friendly and more cost effective. However, if you would particularly like a printed copy for your records, please send your request via email to office@broadway.worcs.sch.uk .
