Message from Mr Poultney:

Our Year 5 children have had another week rehearsing for their show. As you will already know, we are not permitted to have an audience but are pleased to announce that it looks like we will be able to record the children's performance. I know all our Year 5 children are really looking forward to it.

As the other year groups are not part of the performance this year. Classes are preparing for an assembly that will be recorded and shared towards the end of term. Keep a look out.

Guidance has severely hindered our plans for transition this year. Whilst staff are known to all children, we know some may be a little apprehensive about class changes. We have a few ideas that we will share with you soon to try and compensate for the this loss.

End of year reports are being finalised and will be sent out next week. These will be sent out electronically with an option of a paper copy on request. Please ensure your details are up to date.

Finally, next Wednesday will be non-school uniform for £1 (see page 3) and Friday will see Year 4/5 visit Malvern residential centre for the day. Please ensure you check the information you have been sent.

Sharks

This week in Class 4, we have started our unit on time in maths; we have been converting between minutes, hours and days and looking at bus timetables. We have also been reading music and practising Mamma Mia on the glockenspiel whilst Year 5 have been working hard rehearsing for the school show.

Seahorses

This week, Seahorses have been learning all about angles in Maths. We practised giving directions using angles of a turn. We have also been improving our fielding skills in our PE lessons.

Turtles

This week, we have been learning how to measure and compare the height of different things. In Science, we have also been learning how materials can change shape. We had a lot of fun making our own putty and using it to learn how materials can be stretched, squashed, bent and twisted. In PE, we have also been learning how to play golf.

Starfish

In Class One this week, we have been talking about how we are growing up and about to start a new year group! We have talked about what we have enjoyed in pre-school and reception and what we would like to learn. We have continued to explore the world around us and have seen lots of butterflies this week too. The mud kitchen and snail hunting has been lots of fun!

Eat Them To Defeat Them

Over the last 3 weeks, all the children have enjoyed taking part in the Eat Them To Defeat Them scheme, as advertised on TV. They've sampled fresh strawberries, garden peas, sweetcorn, sweet peppers, raw carrots and cherry tomatoes. They've all received stickers if they've tried them and some of the children have even designed a passport for the scheme!!

We would like to thank **Evesham Vale Growers** who kindly funded the activity packs sent home a fortnight ago. Hopefully the scheme has succeeded in encouraging children to try more fruit and vegetables and develop healthy eating habits for life.

Swimming Next Year

In the Autumn term, Years 3 & 4 will be going swimming at Evesham Leisure Centre on Thursday afternoons for a total of 10 weeks. As stated in the email sent yesterday, the cost will be £30 per child which can either be paid all in one go or spread over 3 payments of £10. The payment system for this will go live on 6th September.

Leavers and Class Photographs

If you placed an order for either a class or leavers photographs via Timelock Photography, all orders were sent home yesterday.

School Reports and New Classes

An email was sent on Wednesday to all parents, informing you of your child's new class for September. If you did not receive this please contact the office as soon as possible.

Reports will be sent home via Parentmail throughout the next week. This is both more environmentally friendly and economical, than printing. However, we are happy to send home a printed copy upon request via email office@broadway,worcs.sch.uk

'The Porridge Pot'

Miss Boulton and Year 5 have been working very hard to ensure the show next week is as good as it can be! Classes 1 & 2 will be watching it on Wednesday next week, and Class 3 & 4, on Thursday. Mr Poultney has managed to find someone to film the show and Year 5 parents will be provided with a copy. To help fund the show this year, we are holding a non-uniform day next Wednesday 7th July in exchange for **£1 per child**. Children are invited to come in to school in the Euro colours to celebrate, fingers crossed (!!), England making it through to Euro 2020 Semi-Final!!

End of Term

We would like to notify all parents that school will close at 2.00 pm on Tuesday 20th July, the final day of this academic year. **WAC will be open as normal for breakfast club but not for after school club on this day.**
