

Message from Mr Poultney:

This week saw our Year 5 perform their production, Porridge. It was a huge success. There were great jokes, super songs and some awesome acting performances. It was also fantastic to see the confidence and enjoyment from all our Year 5s as they prepare to leave us. Thanks must go to Miss Boulton and her team of helpers whose efforts meant we were able to have a show this year.

Today, our Year 4 and 5s have visited the Boundless Outdoor Centre in Malvern. So far, we've had a great time with some amazing climbing and swinging through the tree tops.

Classes 3 & 4 have arranged Zoom sessions for their new classes so please look out for the times so that children do not miss out. Have a great weekend.

National Target is 96%

Sharks

In Class 4, we have continued our work on telling time in maths. We have also been writing exciting introductions to stories and created presentations about famous scientists. Year 5 have put on two fantastic performances of Porridge—well done!!

Seahorses

This week, Seahorses have been playing cricket and have practised their batting skills. We have also written some fantastic non-chronological reports all about Europe and the Year 4s had an excellent time on their trip to Malvern! Year 3 have enjoyed some orienteering this week too.

Turtles

This week in Turtle's class, we have been testing out the weight of different objects and comparing them. We were very lucky to watch the Year 5 school show. We really enjoyed watching it and they all did a brilliant job.

Starfish

This week we have been making friendship hearts and bracelets letting our friends know how they make us feel happy. We have been talking about what we wish for in our new class next year and things we have enjoyed doing in Class 1. We have also had lots of fun on the trim trail and playing football with our friends on the playground!

End of Term

We would like to notify all parents that school will close at 2.00 pm on Tuesday 20th July, the final day of this academic year. **WAC will be open as normal for breakfast club but not for after school club on this day.**

School Reports

All parents should have received a school report for their child/ren this week via Parentmail. Class 3 reports were sent on Wednesday, Classes 2 & 4 on Thursday and Class 1 today, Friday. If you have not yet received one, please let the office know as soon as possible.

Lunch Order Forms

If you would like your child to receive school lunches, please send in the completed forms for Autumn Term 1 by **Monday 12th July**. All children in Key Stage One, Years R, 1 & 2, receive free school meals. Lunches for Years 3, 4 & 5 are £2.30 per day.

In the second half of the Autumn term we are moving to online ordering for all lunches, directly with Class Catering. Full details will be shared nearer the time but it is a much more time effective and efficient method to manage school lunches for parents.
