**Message from Mr Poultney:**

We've had a great week helping others. Following all of your kind donations for harvest, Mrs Dudfield delivered them to Caring Hands in Evesham with the help of some of our pupils. It was a super effort that really demonstrated our value of togetherness. Well done everyone.

Today, the children came to school in bright colours for Young Minds. This is aimed at raising awareness of children's wellbeing and mental health. We support your children in a variety of ways including through our curriculum, extra-curricular events and through targeted support. If you have any concerns or would like to know more then our doors are always open. Thank you for your donations, we managed to raise £100.

**Attendance this week**

This week's winners were tied.  
Well done to Acorns and Oak class.

**National Target is 96%+**

**Parents Evenings**

Our second Parents' Evening session is on:

Wednesday 13th October 3.30 pm– 5.00 pm

You should have already received confirmation of your appointment so please contact us if you have not. Also, there are still spaces available so please make sure you have an appointment, we'd love to see all of you.

## Oak

This week has been all about addition. The children have looked at how they can use place value and understanding what happens when they make exchanges using column addition.

## Willow

This week, Willow Class have been exploring Cave Paintings. We looked at some examples from the Lascaux caves in France, before using charcoal and oil pastels to recreate some. In our Computing work, we have started to design our own animations based on the Stone Age.

## Acorns

Class 1 has enjoyed Mrs Dudfield's 5 To THRIVE this week with bubble fun, breathing exercises, playdough faces and feeling songs. We have also been talking about 'people who help us' and exploring different roles in our play. Well done, Acorn Class!

## Maple

This week we have been busy collecting items for harvest. We then looked at the types of foods we had collected and why they were important. We have also started to learn how to sew and learnt about what the different features of castles are. The children in Year 1 had a brilliant forest school session and some of them started to make bug hotels. What a busy week.

### **Next week:**
