Pandas	Nicole
Tigers	George

Message from Mr Poultney:

On the back of our new Attendance Policy, we have started the Attendance Lottery. Every Friday morning, we will identify all the children that have 100% attendance for that week. We recognise them all in assembly and then two lucky winners are chosen at random to win a small prize. Kaiya and Ellie were our first winners last week with Crystal and Imogen the lucky pair today. 90% of our children made the draw today. Can we beat that next week?

Next Wednesday morning is our Open Morning from 9.30am. We hope that we can attract new families that are potentially looking for new school places. Please share with your family and friends.

Wednesday also sees our first Parents' Evening of the year and the first face-to-face opportunity for a long time. It is our intention that every parent will book an appointment so they can discover how their child is settling into their new class and chatting about their learning experiences. If you feel there are going to be any difficulties then please let us know so we can discuss a solution.

Did you know that October is Black History Month? In school, we have been discussing the lives of famous people such as Marcus Rashford and Mo Farah. Ask your children about their life stories and achievements.

Enjoy your weekend.

House Points

Lygon 279	Russell 239
Morris 236	Eadburgha 256

Attendance this week

Tree Frogs	87.5%
Koalas	92%
Pandas	96.8%
Tigers	95.8%

- NHS Audiology letter to Reception parents
- Sealife Centre Flyer for half term
- SSE Camps
- Evesham United Football Camp
- Invite to Open Morning for preschool parents
- Parents Evening appointments via Parentmail
- Edenred Lunch Half-Term vouchers for families with pupil premium status

Tigers

This week, in Tiger Class, we have been ordering and comparing increasingly large numbers in Maths and have then started our work on negative numbers. In Science, we have been learning all about the life cycles of different animals. We have also started our new text in English (Empire's End) and checked for the different features on our shopping lists. Some children have chosen to be a play leader at lunch times and have been busy organising games for the younger pupils - what super role models!

Koalas

We have had a brilliant week in Koala Class. In our topic lesson, we learned about what facilities Broadway has and how villages, towns and cities are different from each other. Our Science learning has continued and we have found out that a variety of different plants can grow in the same place. We looked at photos of wild flowers and of impressive gardens where the plants had been neatly placed in rows. Keep up the good work Koalas!

Pandas

Panda Class have had a really busy week! On Tuesday, we enjoyed our Inspire Workshop with our parents, making Roman mosaic key rings. On Wednesday, Bob came in and planted daffodil bulbs with us, and we even got to pull up some carrots and onions that he had planted earlier on in the year! In our History lessons, we learnt about the times the Romans invaded Britain and considered why the Romans wanted to invade.

Tree Frogs

This week Tree Frogs completed their final art piece on their Self-portraits, decorating their picture with media to personalise their picture! It was lovely hearing all the discussions of their interests, likes and dislikes. In Science we have looked at changes in materials and made Smores in forest school, explored Oobleck and carried out an experiment to explore the quickest way to melt ice. In Maths we have been using comparative language, 'more than' and 'fewer than' to describe different quantities. In topic, we have been learning about real life superheroes, (people who help us) in the community and had a visit from Hereford & Worcestershire Firefighters! Thank you to Mr Williams who helped organise this special event.

School Lunch Orders for After Half Term

From next Monday, you will be able to order school lunches online for the next half term. Please be aware that on Wednesday 14th December the whole school will be out on Christmas trips and ALL children will need to bring packed lunches from home on this day. Please do not order a school lunch on days where you are aware your child will not be in school.

Children in Need Day

On **Friday 18th November** all children are invited to come in to school in non-uniform in exchange for a minimum donation of £1 for Children in Need. This year's theme is 'Together We Can', with the aim being to show disadvantaged children that they are not alone.
