Morris	466	Eadburgha	498

Attendance this week

Tree Frogs	85.8%
Koalas	94.8%
Pandas	97.6%
Tigers	99%

Message from Mr Poultney:

We've had a really successful week in school. Firstly, we have taken delivery of two new goalposts, which will be in operation in the near future. We have also purchased 20 new laptop computers for the children's use. This is particularly exciting as they replace the laptops that were bought about 6 years ago and will make a big difference to the children in their classes.

This week also saw our Year 4 and 5 children take part in the cluster

cross-country event near Tewkesbury. We were especially proud of the school values they displayed such as resilience

and ambition. The children were also great ambassadors for our school. It also gave them a chance to see some of the children from other settings that they will move to middle school with next year.

A reminder that we have family lunches for Class 1 and 4 and also to ensure children are being sent to school with coats as we are experiencing cooler weather.

Finally, today saw the school show its respects for those that have lost their lives in war. The children respectfully held a minute's silence before listening to The Last Post. We hope you have a lovely weekend and look forward to seeing you on Monday.

Letters sent home this week:

- Hearing Screening reminder to register to Reception parents
- Football Club change of date letters
- Roman Day for Key Stage 2

Tigers

We have had a busy week in Tiger Class this week! On Wednesday, all of Years 4 and 5 went to Bredon School to run a very hilly and muddy cross-country race! The children represented our school beautifully, showing ambition and resilience. We have started our new topic in Science, (magnets and forces) and enjoyed investigating magnetic materials and what a magnetic field is. We also created a fact file about Boudicca and debated whether she was a hero or a villain.

Pandas

In Pandas this week, we have finished building our Roman catapaults and tested them to see how far they could launch a sweet across the room. They travelled really far! In our Maths lessons, we have become experts at column addition, understanding when we need to exchange ones or tens. We have also continued to develop our French speaking and we can now have a conversation to ask someone's name, how they are and their age! Well done, Pandas!

Koalas

This week, Koalas have amazed us with their knowledge of number bonds and addition facts. Year 1 used their number bonds to put the spots back on a butterfly and a ladybird and the raindrops back on the clouds! They had great fun using playdough to do this. Year 2 has been busy in forest school - they have hung all of the bird feeders up which we made during our inspire workshop. I wonder which birds may pay a visit to our forest school area? Keep up the good work, Koalas!

Tree Frogs

This week, Tree Frogs have continued with their DT project and have built their space vehicle that they designed last week. We have enjoyed learning about Remembrance Day and making poppies for a class wreath. In Forest School we explored the pond life and plants in the Autumn and will observe how things change through Spring and Summer. We have recorded our experiences with Bonfire Night and made firework pictures!

Odd Socks Day!!!

Next week marks National Anti-Bullying Week and we are asking all children to come to school on **Monday** wearing odd socks to signify that everyone is different! We will have an Anti-Bullying themed assembly and all classes will receive sessions and time to discuss the subject during the week.

Operation Christmas Child

Thank you so much to everyone who kindly donated items to Operation Christmas Child and to those who helped at the 'Packing Party' after school on Monday! It is for a very good cause!

Children in Need 2022

Don't forget the theme this year is Spots! Next Friday, all children are invited to come into school in non-uniform in exchange for a Pound for Pudsey. If you wish to send in more than this, 100% of your donation will go to Children in Need.

Jack & the Beanstalk Pantomime

The wonderful Miss Boulton is starring in Jack & the Beanstalk pantomime at The Henrician Theatre, (formerly known as Evesham Arts Centre), in Evesham from 18th—22nd January. Tickets are now on sale via their website <https://www.henrician.org/tickets/> or you can purchase then from The Tracey Sollis Leukemia Shop in Evesham during normal opening hours. Do go along and support her if you can—it is sure to be a fun performance!!!
