

Tigers

In Tiger Class, we have been using the inverse in Maths to test whether calculations are right or wrong. We have started our new topic this week (Extreme Earth), and looked at human disasters, natural disasters and the layers of the Earth. Year 4 have enjoyed their fun swim whilst Year 5 choreographed routines in gymnastics, using very tricky balances! On Tuesday, we enjoyed a STEM workshop making automated warehouses from K'Nex.

Pandas

On Tuesday, Panda Class had a fantastic afternoon taking part in a STEM workshop. We discovered how automated workshops work and had a go at designing our own using K'Nex. We saw some brilliant designs; there are definitely some future engineers in our class! We also started our new topic this week, Extreme Earth. We learned about different natural disasters and used Atlases to help locate the Ring of Fire.

Koalas

Well done Koalas - it has been a busy week! The children blew our minds during our Science lesson this week. They had to choose some objects in the room that were made out of different materials and they drew some pictures and wrote some amazing sentences about what they had found. We also started our new topic 'Ferocious Fire' yesterday, where the children found out that they will be learning all about the Great Fire of London.

Tree Frogs

Tree Frogs have been very busy getting ready for the Nativity performance on Thursday! We have been learning about the Nativity story and why Christmas is celebrated. We have talked about our own Christmas traditions and how we celebrate this special day. In Science, we have explored sound and how different musical instruments are played and how sound is produced.

Headlice

There have been numerous cases of Headlice in school recently and we would like to remind all parents that long hair needs to be tied back to help reduce the spread. There is no specific need for your child to stay at home if you discover they have Headlice, but it would be much appreciated if you could treat them and any siblings in the household, prior to coming in to school.

Lunches for 14th December

We would like to politely remind you that ALL children will need a named, packed lunch from home on Wednesday 14th December, as all classes are going out on their Christmas trips. All lunches have been cancelled online with Class Catering.

Christmas Lunch

The online ordering system for the Christmas lunch on **Tuesday 13th December**, has now been updated to the correct menu. If you would like your child to have the festive menu, please can you log on to the Sodexo system and order by **Thursday 8th December** at the latest. In addition to this, you can now also order online for the next half term.

Young Voices 2023 Transport Costs

If your child is going to Young Voices on Monday 9th January 2023 with the school, please can you pay the £4 fee for the coach in cash at the school office by **Thursday 15th December** as unfortunately the minimum you are able to pay via Parentmail+Pay is £5.

Wrap Around Club Notice

On **Thursday 15th December**, there will NOT be an after school club. Breakfast club will be open as usual. Normal hours will resume on Wednesday 4th January 2023.
