

### Message from Mr Poultney:

Our first term has come to an end and we have lots to be pleased about. Firstly, this is the first term where we have been able to involve families in school since covid began. We hope you have enjoyed our Inspire Workshops, class assemblies and recent performances. There will be more planned during the remainder of the year but it has been really positive to share our school with parents once again. The children have enjoyed completing their first topic and had lots of information to share with us. We have seen some great progress in school. Children will be continuing their second topic next half term.

This week, the children have had lots of festive fun including our Christmas lunch, Year 1-5 visiting the theatre for the annual panto and Class 1 meeting Santa at Smart Trees. Everyone had a great time.

We hope you have a super Christmas break and a great new year. We will see you all on the 4th January.

### Letters sent home this week:

- Holiday, Activity Food Programme for Pupil Premium families
- Festive Fun for Kids with The Dogs Trust flyer
- Final day of term plans
- Reminder to order school lunches for the Spring Term asap
