Morris	748	Eadburgha	776

Attendance this week

Tree Frogs	100%
Koalas	94%
Pandas	95%
Tigers	89.5%

Message from Mr Poultney:

The week started with a Friends of Broadway meeting. We welcomed an enthusiastic group of parents to map out fund-raising events over the course of the year starting with a Valentine's disco. We are really keen to make the Friends group as effective as possible. If anyone is interested in helping in any way then please contact the school. There are lots of different ways to contribute before, during or after the planned events.

We also welcomed parents to our family lunches in Tree Frogs and Koala classes. It was great to see so many of you in attendance to share some time in class with your children. Our two older classes have their family lunches next week so we look forward to seeing as many of you as we can.

Next week is Children's Mental Health Week. We have a number of activities planned to raise awareness of mental health including 'Cosy Friday' next week. Tuesday is also Safer Internet Day. Again, some activities are planned to ensure children add to their knowledge of staying safe online. Finally, some of our Key Stage 2 children will be representing the school next week in a cluster tag rugby tournament. This will take place at Bredon Hill Academy and we wish them good luck in their quest for glory.

Finally, it has been so wonderful to see the recent enthusiasm for reading. There's been lots of examples of extra reading at home and reading for pleasure. I know Miss Kerby's extra reading challenges are proving popular.

Have a great weekend everyone.

Letters sent home this week:

- Adult Learning - New Year, New You!! (WCC)
- Cosy Friday
- Holiday, Activity & Food Programme to all FSM families
- Friends Valentine's Disco flyer
- Littleton Table Tennis Club flyer
- Tag Rugby Letter to those selected

Tigers

In Class 4 this week, we have been multiplying 3 numbers to solve problems and calculating whether an integer is prime or not. We have also just started to look at the different written methods we can use to multiply 2-digit numbers. In Art, we have used our ombres from last week to create a collage of an erupting volcano. In French, we have been asking our partner what the weather is doing and saying which clothing we should take to that place to build up our conversation skills. We have also been practising our tag rugby in PE ready for next week's competition. Such a busy week!

Pandas

This week in Panda Class, we have started to look at 2-digit by 1-digit division. In Art, we have been making different tints and shades with paint, to represent the cooling down of lava after a volcanic eruption. We have then created a sketch for our final piece of Artwork before identifying where we will use a dark shade or a light tint. In our Geography lesson, we looked at how land can change over time, and explored the impact of deforestation on the Amazon rainforest.

Koalas

What a great week in Koalas! This week, we have written diary entries from the perspective of Samuel Pepys. Everyone did a brilliant job of including all of the key dates and information and also making sure they stayed in character. All of the children did some amazing writing in Science this week too, they wrote predictions about whether objects would sink or float. We were very surprised to find out that an orange floats! Keep up the good work Year 1 and 2!

Tree Frogs

Another lovely week in Tree Frogs! We have been busy reading the story of 'The Enormous Turnip'. We have made stick characters to act out the story and have sequenced and written captions to match the beginning, middle and end. In Maths, we have learnt the rhyme '5 little aliens in a flying saucer and have built on this to talk about the composition of number 6 and 7. In DT, we have continued to make our winter hats and have discussed what worked well last week and what we could do better, developing this by thinking about how we can add decorations to them! In Science, we are talking about how we have changed since we were a baby and how we are all unique in our different ways! Well done Tree Frogs!

Cosy Friday

Next week, marks Mental Health Awareness Week and to recognise this, on **Friday 10th February**, we are inviting all children to come into school in casual, cosy dress. The idea is for a relaxed end to the week but we do ask, that this does **NOT** include pyjamas. This is not a fundraiser, just for the feel-good factor!

Valentine's Disco

A flyer was sent out yesterday advertising the Friends Valentine's Disco on **Monday 13th February**. Key Stage One are invited from 4.00 pm—5.00 pm and Key Stage Two from 5.15 pm—6.30 pm. All tickets are £3 each which includes sweets, a drink and a glow-stick. Tickets go on sale next Monday, either from the school office or on the school playground at pick up time.

This week's audio book: https://www.youtube.com/watch?v=3UKip5Sk_k&list=PLC9XXoFSuEujk8Pw6aUvN_9CIIdHilCYFZ&index=19

Reading Challenge

I have a challenge for you! I would love to see some photos of you reading in peculiar places. It could be anywhere, the stranger the better! Please send your photos to the office email address. I will then print them out and display them on our 'Reading for Pleasure' display board!

Who will be caught reading in the most unusual place? Please send your photos in by **Friday 10th February**. I look forward to seeing them!

Miss Kerby - English & Literacy Lead

Congratulations!!

Well done to Izzy in Class 4 which was presented today with a Certificate of Merit from The Young Writers Club for an original piece of creative writing which has been selected for publication in a Young Writers' Anthology.
