

Tigers

In Tiger Class this week, we have been searching for features of recounts in different texts, including Vincent Opyene and Harry Kane. In Maths, we have been using our written multiplication skills to solve problems and also practising our 7 times tables. In Science, we have set up an experiment to see which conditions our Marigold and Nasturtium plants will grow the best in and around the school. We also enjoyed creating our own super hero characters on Safer Internet Day and taking part in daily activities like pass the parcel and the hoop challenge for Children's Mental Health Week.

Pandas

This week in Pandas, we have been working hard on our recount texts in English and stretching our brains with division in Maths. Some of Year 3 & 4 had a morning out at Bredon Hill Academy, playing Tag Rugby by this week, where thankfully the sun shone for them! To start the celebrations for World Book Day, coming up in March, we were lucky to have a virtual author visit this afternoon—what a enjoyable week!

Koalas

In Koalas this week, the children have been doing an amazing job in History by looking at a range of primary sources and asking questions about them. Children came up with brilliant questions like “When was it made?” and “Did this belong to Samuel Pepys?”. We have also been taking part in Children's Mental Health week. We really enjoyed playing Let's Connect Bingo', finding out lots about others in our class.

Tree Frogs

This week, Tree Frogs have been taking part in Mental Health Awareness Week as well as Internet Safety Week. We have taken part in mood booster activities and have talked about different emotions and what makes us feel a particular way. In Science, we looked at how we are all the same/different but are all unique. We created playdough insects that had the same traits as their parents but also different. In Maths, we have used the language of more and fewer than, to talk about different amounts. Well done Tree Frogs.

Tag Rugby

On Wednesday of this week, some of Year 3, 4 & 5 children took part in a Tag Rugby cluster event at Bredon Hill Academy. They all behaved really well and were a credit to the school and our values.

Inspire Workshops

We will, once again be hosting our Inspire Workshops for all classes, during Spring Term 2. Parents are invited to come in to school to take part in a fun activity with their child—it may be an experiment, a piece of art work or a quiz! Dates are as follows:

Wednesday 1st March	Class 1	9.00 am
Monday 6th March	Class 3	9.00 am
Thursday 9th March	Class 2	9.00 am
Tuesday 14th March	Class 4	9.00 am

We look forward to seeing you then.

Comic Relief Day

This year Comic Relief day falls on **Friday 17th March**. Children are invited to come into school in non-uniform, with a fun theme, in exchange for a minimum of a £1 donation to go to this brilliant charity. Perhaps they could combine this with St Patrick's Day and go for a green theme!!

Office Next Week

Please be aware that Mrs Godber will not be in the school office next Thursday or Friday so there will be a limited service on these days. If you need to communicate anything regarding pick ups, WAC, etc, please ensure you do this BY WEDNESDAY of next week.

Spare Clothes

If you have a Reception or Preschool child and have borrowed spare clothing from school, it would be really appreciated if you could return it, laundered, as soon as possible as we are running very low. If your child is prone to 'accidents', please send in spare clothes in a named bag to keep in school.

Next week:

Monday 13th February	Valentine's Discos (Friends) Key Stage 1 & Pre-School 4.00 pm—5.00 pm Key Stage 2 5.15 pm—6.30 pm
