Pandas 94.5%
Tigers 99%

Message from Mr Poultney:

We've had an eventful week with two class assemblies from Tigers and Treefrogs, Koala's athletics event, World Music Day with Sports' Day to finish off the week.

It was great to see how much learning has taken place over the term during the assemblies. The children were able to share lots of knowledge from a wide range of subjects and it's wonderful to see how the children have developed across the year.

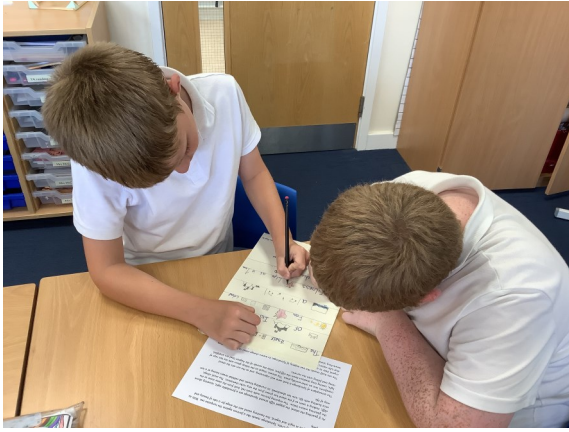

Koala class visited Ashton on Wednesday. They were able to join in with a range of athletics activities and work alongside other children. They spoke really enthusiastically on their return and had clearly enjoyed their morning.

Miss Pearson put on an extended assembly on Wednesday to celebrate World Music Day. We had lots of brave volunteers entertaining the audience and showcasing their musical talents.

Today, has been Sports' Day. We had a super morning with the children working in their teams to amass points. They worked brilliantly together with Red Russell proving worthy winners. During the afternoon, the children participated in a range of different races. Well done everyone. It has been a really enjoyable way to end the week.

Letters sent home this week:

- BBQ & Rounders event for Year 5
- Transition Day Plans for BHA—Year 5
- HAF Summer Holiday Programme—for FSM families
- Welcome meeting reminder to new Reception parents
- Athletics Event Reminder—Class 2
- Headlice Letter—Class 3
- Year 3 School Show Costume request
- Broadway Youth Club Summer Sessions

Tigers

In Tiger Class this week, we have started our final genre in English and written setting descriptions. We have also drawn our own story maps, (and learnt them), to describe the island of Spinalonga. We had a lovely morning on Wednesday, harvesting our potatoes and taking part in a blind taste test to see whether we preferred the Swift or Lady Christl variety. We have celebrated World Music Day by enjoying performances from our very own talented musicians and singers! In addition, we enjoyed taking part in Sports' Day today. What an action-packed week of fun activities as well as hard work in the classroom, well done Tigers!

Pandas

This week, Pandas have started their new Maths unit. They have been learning about different angles, including right angles, acute and obtuse angles. We created our own "right angle eaters" and went outside to try and identify as many right angles as we could. In English, we are learning to write setting descriptions. We used the text 'Maria's Island', as inspiration for our own Greek Island artwork, before having a go at writing our own. We also had a great time at Sports' Day on Friday!

Koalas

This week in Koalas, we enjoyed a trip to Ashton Playing Fields, where we took part in a special Athletics event with lots of other schools from the local area. It was great to see the children displaying our school values and taking part in the different activities. In Topic this week, we learned about an important person in History - Mae Jemison, the first African-American woman to travel into space. We learned about her childhood, her career, her trip to space and also her mission to achieve equality. Well done Koalas.

Tree Frogs (inc Preschool)

Well done on a brilliant class assembly. Your teachers are very proud of how hard you all worked and you were all excellent! This week we have recapped comparative language in Reception Maths. Our topic focus has been 'Special Stories' for RE. We have discussed stories that are special to us and then looked at stories that are special to different religions, such as Bible stories. We have enjoyed listening to different stories from around the world.

School Show—Peter Pan!!

Don't forget tickets for the school show at The Lifford Hall in Broadway, are on sale and are selling fast, especially for the evening performance. Just call into the school office, during normal opening hours and get yours while you can!

Tuesday 11th July 6.30 pm & Thursday 13th July at 1.30 pm.

All tickets are £4 each, children under 2 on laps, free of charge, but please only bring to the afternoon performance.

Bell Boating Regatta Pershore

After 3 years of not taking place, the Bell Boating Regatta at Pershore is back! All of our Year 4 & 5 will be competing with our local, small schools on **Thursday 29th June from 10.00 am until 2.00 pm.** Parents are welcome to come along and cheer Broadway First School along. Free transport is provided for all the children and parents will need to make their own way to St George's Way, (by Pershore Leisure Centre). ALL children will need to take a named packed lunch FROM HOME, even if they are free school meals due to this being an all day event.

Laugh 'n' Learn

Do you have a child who will be turning 3 soon, or know someone who does? We still have some spaces left in our Laugh 'n' Learn Preschool for September, so book a viewing now and see what we have to offer. We accept children the term after they turn 3 years old and the 3 year old funding 'kicks-in'.

We are also starting to take bookings for September 2024, so make sure to put your child's name down as soon as possible, to avoid disappointment.

Friends News

The Friends of Broadway First School were hoping to host another Bingo night before the end of term, but unfortunately, with so many other things happening this term, they have been unable to accommodate this. However, they are hoping to be able to hold this in September as it was so popular at Easter time. Details will be advertised as soon as they are available.

A big thank you to the Friends for providing ice-lollies for all our children and squash for spectators, during Sports Day.

Raffle tickets for the School Show will be on sale from **Monday 3rd July at just £1 a strip!!** There are lots of great prizes on offer and as the saying goes, 'You've got to be in it, to win it!!'. There will be 2 separate raffles drawn at the end of each performance. Tickets will be available from the school office or the Friends will be selling them at the end of each school day, between 3rd and 10th July.
