Message from Mr Poultney:

It may be a week ago, but I'd just like to thank everyone for a successful Sports' Day. The children worked well together to do their very best and thoroughly deserved their icy treat at the end of the day, thanks to the Friends of Broadway. We really hope you enjoyed the afternoon as much as the children.

On a similar sporty theme, Year 4 and 5 participated in the Pershore Bell Boating Regatta. After two training sessions earlier this term, it was time for the real thing against other schools. All the children did us proud with each team enjoying success in the heats. In the finals, it was our Year 4 crew that brought home a trophy after finishing second. Well done to the Year 4 crew and everyone else for a super day representing our school.

This morning, we watched our Class 3 children perform their class assembly. They really demonstrated our broad curriculum, telling us about their learning in a range of different subjects. It was also great to see some of our quieter children speaking in front of an audience as this showed that school is not just about the academic.

There's lots to look forward to over the last three weeks so ensure you're making a note of key dates.

Enjoy your weekend.

Tigers

This week in Tiger Class, we have been using our inference skills to gather details from the text and then predict what we think the plot might be. In Maths, we have used the data collected from our potato experiment to draw scatter graphs which show the growth (potato profit!). We also enjoyed Transition Day in our new classes on Wednesday. On Thursday, we had a super day at the Bell Boating Regatta in Pershore; we showed great togetherness in our teams and even brought home a trophy!

Pandas

Pandas have had a very busy week! In English, we have been exploring different setting descriptions, identifying their key features and comparing the vocabulary used. On Wednesday, we enjoyed Transition Day and participated in different activities with our new classes and on Thursday, Year 4 had a brilliant time at the Bell Boating regatta! Finally, Friday saw our class assembly, where we were able to show our parents a glimpse of what we have learnt this term. Well done, Pandas!

Koalas

This week in Koalas, we have been busy completing some research for 'Fieldwork Fortnight'. We used our Science lesson to do a minibeast hunt around the school grounds. We collected our results using a tally chart. The children loved being outside and working together. In our Topic lesson, we learned about the astronaut, Tim Peake, and researched his life and career. We also really enjoyed welcoming the Reception children on Wednesday for Transition Day and we heard that the Year 2s had a great day in Hogwarts!

Tree Frogs

Tree Frog class, we are so proud of how well you have done on the Transition Day. How grown up you are all becoming. This week we have continued to discuss how to be healthy. We have read 'Handa's Surprise' and explored the different fruits and talked about which ones we liked and didn't like. We designed our own fruit kebab and made it for DT. Well done Class 1!

Preschool

We have had a busy week in Preschool, continuing the story of 'We're Going on a Bear Hunt' and creating our own story maps. We also had a lovely Transition Day where we celebrated all things 'Wonderland' including a Mad Hatters tea party, mixing potions and making jam tarts. Well done all!

Sports' Day 2023

Last week, the children took part in a successful Sports' Day, we didn't have the opportunity on the day to award certificates for first, second and third place in their year group, but the children have since been awarded these. Well done to everyone for taking part and to the children who received a certificate. Huge congratulations go to Russell house for winning the house cup this year! Let's see which house can win it next year.
