

## Narnia

This week in Narnia Class, we have been practising our column addition to find the total of larger numbers. We have also been looking at a new class text which is all about the uses of plastic and then discussing whether we think it should be banned. On Wednesday, Years 4 and 5 took part in the STEM K'Nexx challenge; all of our pupils built fantastic models, (some even had working cranes) and two Year 5 students have been invited back to the Worcestershire final later in the year. Well done Narnia Class!

## Hogwarts

Hogwarts have had a fantastic week! In our English lessons, we have started learning to write discussion texts, considering whether plastic should be banned to save the ocean. We have been using subordinate clauses and fronted adverbials to help convey our thoughts. In Maths, we have been developing our mental maths, adding thousands, hundreds, tens and ones mentally. Finally, in Science, we investigated how sound travels differently through solids, liquids and gases.

## Oz

In Oz Class this week, we enjoyed our Science lesson where we did an autumn scavenger hunt outside. We found lots of signs of autumn including conifers, helicopter seeds and different coloured leaves. In topic, we learned more about Warwick Castle - we're getting very excited for our trip! We have used laptops to learn more about typing and saving a file to our documents. Well done Oz,

## Wonderland

This week Class 1, have enjoyed learning about The Royal Family. We learnt about King Charles III and the Queen Consort, Camilla. We made crowns and enjoyed writing invitations to a royal tea party. In Maths, we began the NCTEM unit numbers, 1-5 and practised our subitising skills.

### Pre-School
