

Donaldson (Class 1)

This week, Class 1 has experienced making vehicles for a superhero or alien. We used the Unit 'Lets make Vehicles' from the DT Association to look at different vehicles. We designed our vehicles and then made these out of junk model, choosing different materials for a purpose and thinking about how to join these. Reception children have begun the new maths Unit 'It's me 1,2,3' and have practised subitising to 3 and representing claps and objects using counters and a five frame. We have loved the Halloween celebration day with fun science experiments, crafts and face painting!

Dahl (Class 2)

Dahl Class have had lots of fun this week. We started the week by learning the capital cities in the United Kingdom and making a post-card showing all of the places. We loved welcoming some visitors on the open morning, it turns out that we are brilliant tour guides and loved showing off our classroom! We also really enjoyed welcoming our parents to the Inspire Workshop and making nature photo frames. Lastly, whilst Year 1 enjoyed their last forest school session, Year 2s made nature wands and cast lots of spells on each other in the forest!

Seuss (Class 3)

This week in Class 3, we have been grinding grains to make Neolithic bread. We used stones, which proved very tricky to even make an egg cup full of flour, let alone a whole sack! Luckily, we have the convenience of a local shop to stock up on ingredients. My hunter gatherers then set to work making the bread, using only ingredients that would have been around in that period. We had Honeycomb, berries and herbs. No yeast! We had so much fun, but did agree that the bread wasn't as tasty as nowadays! Also, this week we have had a Halloween twist on our science lesson, which was topped off by the Halloween disco. Hopefully, you all have a restful half term. Thank you Seuss class for working so hard, don't forget to keep reading!

Morpurgo (Class 4)

During the final week of half-term, Morpurgo Class have been super busy! We have spent a lot of time learning about Stonehenge this week, building our own models out of clay and labelling the specific stones, and writing fact files to summarise our knowledge. We have also been very lucky to have been taught French this week by Madame Edgecombe, who kindly volunteered some time to help teach us. We learned how to introduce ourselves, describe how we are feeling and say when our birthday is! Morpurgo Class, you have all been excellent and deserve a well earned rest, well done!

Laugh 'n' Learn Preschool

In 'Laugh N learn' Pre-school this week, we have enjoyed the pop-up story of 'What's in The Witches Kitchen?'. In maths, we have continued to build our counting skills and in Forest School we have painted 'ghost leaves' and found ways to move through a spooky web.

We finished off the week with spooky science and Halloween fun. Well done Pre-school and have a lovely half term!

Week commencing

Monday 4th November	Poppy Appeal goods on sale!
Tuesday 5th November	Inspire workshop - Class 1 - 9am start Piano lessons PM 3.15pm Table Tennis Club with Ken Baker week 3
Wednesday 6th November	Book and Biscuit—Pre-school 9am FAME music sessions for Classes 3 & 4 in PM 3.15 pm Gymnastics with KO
Thursday 7th November	Inspire workshop - Class 3 – 9am start Year 3&4 swimming 1pm 3.15 pm Team Games for KS1&2 week 5
Friday 8th November	Forest School 3.15 pm Singing Club with Miss Pearson. Finishes 4pm

Please see a reminder of our reading reward scheme

Reading Rewards at Broadway First School

1 read = 1 dojo point

3 reads in one week = Reading raffle ticket (chance to win a new book every week!)

30 reads = Non uniform day
