Message from Mr Poultney:

Last night saw our Key Stage 2 performance of Cinderella Rock-erfella, and what a performance it was. The children were absolutely amazing with so much talent on display including amazing singing, choreography and comedic moments. I, like all the staff, were incredibly proud of all the children from Class 3 and 4.

This morning saw our volunteer Nathalie and her able aide, Barbara, organise a French themed breakfast. Nathalie has used her fluent French skills to support our curriculum throughout the year and she generously provided all the classes with a selection of French breakfast items including pain au chocolat and croissants. Thank you to both Nathalie and Barbara for their time and effort.

On the subject of time and effort, I would like to say a huge thank you to the Friends of Broadway First School. As we near the end of the year, we can reflect on a number of successful events that have raised a considerable amount of money to support the children at our school. This included last week's fete, which raised over £1000. Thank you to all that visited us and contributed. Well done to all of our Friends' members for their hard work recently and throughout the year.

I hope you enjoy what promises to be a sunny weekend.

Letters sent out this week

- Year 5—Leavers assembly Friday 18th July at 11am

House Points	
Lygon 476	Russell 512
Morris 535	Eadburgha 465

Attendance this week

Donaldson 98%

Dahl 95%

Suess 95%

Morpurgo 99%

National Target is 96%+

The **Golden Welly** award has been introduced as an opportunity to celebrate the children and their amazing play. Children can achieve this award for using their initiative during play, outstanding behaviour, supporting each other or being a kind friend. This week's awards

go to **Ronnie & Laycie**

Donaldson (Class 1)

In Donaldson class this week, we have been focusing on how we look after ourselves in the world around us. We have spoken about sun safety, stranger danger, PANTS and keeping safe around medicine. We compared medicine in the past and present. Reception children have really enjoyed challenging themselves with patterns in numbers to 100 using a SPLAT square. We also really enjoyed the French breakfast Madam Edgecombe provided as a celebration of our French learning.

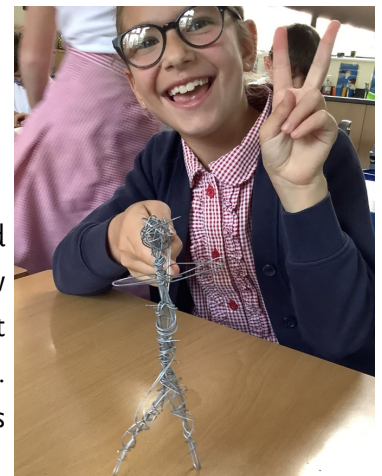

Dahl (Class 2)

We've had a fun week in Dahl Class. We have learned more about Space Exploration and compared America, Russia and China's competitive nature when it comes to this. We wrote a letter to NASA imagining that we would love a job as an astronaut. We loved watching Class 3 and 4's school show – it was brilliant! This morning, we very much enjoyed our French Breakfast! We ate croissants, pain au chocolat and baguettes – delicious! Have a lovely, sunny weekend everyone.

Suess (Class 3)

This week in Class 3, we have been looking at the artist Anish Kapoor and creating wire sculptures of the human body. We have also been learning how to ask for items of food and drink in French, ready for our whole school 'petit de'jeuner'. This week we have also been busily practicing for our school show. The children have all been super stars and tried so hard. Well done Seuss class!

Morpurgo (Class 4)

Well done to all of Class 3 & 4 for an amazing end of year show. The children worked so hard to produce such a wonderful performance!

Please see the back of the Newsletter for more photos!!

Laugh 'n' Learn Preschool

In phonics preschool have continued to learn the initial sounds, we now know the sounds m,a,s,d,t,i and n. We went on a sound hunt around our classroom to find things that started with the initial sounds we have learnt. We have also carried on with our Fred talking, being able to sound out a word to blend it together. We enjoyed learning all about hospitals from the past and compared them to hospitals now. Preschool had a fab week in the sun, playing in the water and making our own potions from flowers in our garden. In maths, preschool have also enjoyed making their own patterns using different manipulatives. Well done, Preschool.

OPAL

OPAL this week we have seen children build different things from our loose parts. It's great to see how their dens are developing and getting better each time. Some children have made a stadium out of the loose parts, they role played and pretended to spectate the football game. It was lovely to see all the children come together and working part of a team to build their stadium. We have seen lots of the children in our water play area; they have been creative using the funnels to transfer water in different ways. They've enjoyed using colored water and being able to mix different ingredients to make potions.

Week commencing 30th June 2025

- | | |
|----------------------|--|
