Message from Mr Poultney:

There's lots to look forward to at Broadway First School. Monday will see our new lunch provider, Cater Cater, commence working with us. We're looking forward to offering a hot lunches again.

Next Friday afternoon sees Cater Cater provide the opportunity for parents to join us in school to try out some of their food and learn more about what they will offer. Friday afternoon also sees us open our school for an OPAL Play session as part of an Inspire Workshop for the whole school. Our last OPAL session proved really popular so we hope to see as many of you as possible to enjoy our school alongside your children.

Next week also sees some of our Key Stage 2 children representing us at a football festival

Some of our Key Stage 2 children will be at St Michael's church on Sunday as part of a community service. They will read a poem as part of the service. If your child wishes to participate and hasn't yet confirmed then please contact the school office.

Finally, our annual Open Morning for families interested in joining us is on Wednesday 22nd October. There are flyers and banners in the area. If you know of anywhere that could use a flyer or you know anyone that might be interested then please spread the word.

The **Golden Welly** award has been introduced as an opportunity to celebrate the children and their amazing play. Children can achieve this award for using their initiative during play, outstanding behaviour, supporting each other or being a kind friend. This week's awards go to **Maze & Bernie**

Ruby (Class 1)

This week in Reception, we became scientists and researched the Komodo dragon. We used our understanding and exploration of light to make dragon traps that were dark and cave like using different materials and construction resources. We have learnt about the features of castles and key topic vocabulary, drawing a castle and labeling the key features. In Maths, reception children have begun a new unit, 'It's me 123', and have practised subsisting different dot patterns and linking the numeral to the value.

Diamond (Class 2)

This week, we have read the story 'The Leaf Thief' which is all about Autumn and how the leaves change colour and fall from the trees. We have enjoyed going into forest school to observe the changes that Autumn brings. In Maths, we have finished our unit on Place Value to 20 and will be moving onto Addition and Subtraction next week. We have continued playing listening games to help us with our listening and attention skills and we have particularly enjoyed playing Crocodile Dentist and Pop Up Pirate.

Emerald (Class 3)

This week in Class 3, we have started writing our adventure text, based on the book 'Escape from Pompeii'. We have looked at life in the Roman Army and in science we learnt about reptiles and amphibians and used a Venn diagram to display our findings. What a busy week, well done Emeralds!

Amber (Class 4)

This week, Amber Class have started their new English unit based on the picture book, Escape from Pompeii. We will be using the text as inspiration to write our own adventure texts. We practiced reading the text using intonation, focusing on punctuation to help us read with a flow. In History, we learned about different Roman punishments – we're very glad some of them aren't used today! Finally, we have welcomed our new teaching assistant, Mrs Phillips. We can't wait to show her how amazing we are!

Laugh 'n' Learn Preschool

Pre-school had a very fun week exploring the natural environment, collecting objects to match the given colour and discussing what they could see. In Maths, we have been identifying repeats in stories and nursery rhymes such as twinkle, twinkle little star and the gingerbread man, making up our own actions. In phonics, we have been focusing on recognizing rhyming words, developing awareness of rhythm, and rhyme. What a busy week, well done pre-school!

Laugh 'n' Learn Nursery

Although Halloween falls during half term this year, our Nursery couldn't wait to get started! The children have been busy enjoying a range of Halloween-themed activities designed to spark creativity and support learning. From colouring and painting pictures to solving picture puzzles with missing shapes and designing their own pumpkin faces, there's been no shortage of fun! Each activity is thoughtfully planned to encourage key developmental skills, and the children have loved every moment. They've even helped begin decorating the Nursery!

OPAL Play

In OPAL this week, we have loved using the parachutes and loose parts to make dens. We have added a selection of card boxes to our outside classroom. The children have enjoyed being creative with these and using them in different ways! There has been excellent teamwork, collaboration and problem solving figuring out how to attach the parachute to the tree!

Wish List

Gardening tools to dig with, large spades and shovels and smaller tools..

Bulbs and plants.

Pumpkin Competition Poster Power!

As we get closer to the last day of the half term, the School Council has been hard at work spreading some spooky spirit around the school!

This week, members of the council have been designing bright, eye-catching posters to promote our upcoming **Pumpkin Competition**.

Look out for the posters around the school – the School Council has done a fantastic job and will make sure everyone knows how to enter and when to bring in their pumpkins.

More details to follow!

A big well done to them for their enthusiasm and teamwork!

Cater Cater have sent us a sample menu to see what will be on offer!

We hope you enjoy looking at the tasty options for your child/ren.
