Buzzards	98.5%

House Points	
Morris	108
Eadburgha	111
Lygon	93
Ruseell	106

Messages from Dr Browning

Children are very excited about the Sponsored Mile next week. They need to ensure that they have suitable footwear in school for running every day as children will be building up their stamina for the big run on Friday.

We also have the Friends of the School meeting on Wednesday. All are welcome—there will be drinks and biscuits! It is at school at 7pm.

Finally, this is the time of year that children start to get the dreaded viruses. Please ensure that we have two working telephone numbers for your child(ren). We have been going through the forms sent out last term (data capture, etc) and some are not completed fully whilst others have not been returned. Mrs Godber will be contacting people regarding this. Please note that the information requested is very important so please return any paperwork as soon as possible if you are contacted.

Letters sent home this week:

- Parents Evening letter to all
- Sponsorship form for the Sponsored Mile taking place on Friday 5th October

Can you help school?

We currently have two display boards that need to be taken to the tip. They are too big for a car so if anyone have access to a larger vehicle or trailer and wouldn't mind helping us out then please contact the office. Thank you.

Next Friends Meeting

Wednesday 3rd October 7.00 pm

At the school - all welcome

School photographs

Thursday 18th October 2018 AM

OFFICE NOTICES

Football and Spanish Club

As school was closed on Monday of this week anyone who has already paid in full for football or Spanish club will either be refunded the one week fee or we will aim to add the missed session on at the end of the term.

Parents Evenings

Letters for the forthcoming parents evenings were sent out on Wednesday. You will receive a text confirming when your appointment will be within the next week. Whilst we will aim to accommodate your chosen day and time please be aware that this is not always possible. If you are unable to make the time you are allocated please can you contact the office as soon as possible to allow your slot to be issued to someone else.

Data Catchment & GDPR Forms

The above forms were sent out at the end of the last academic year. If you have not yet completed yours please can you ensure you do so as soon as possible, remembering to allocate a password to your child/ren. Please ensure that if someone different is collecting your child from school that they have the password.

Next week:

Monday 1st October

Spanish Club 3.15 pm

Football Club 3.15 pm

Tuesday 2nd October

Quicksticks Tournament for some Year 3 & Year 4 AM

Glow Dodgeball 3.15 pm

Friends Meeting 7.00 PM in school

Thursday 4th October

Swimming for Years 1, 3 & 4 PM

Dance Club 3.15 pm

Friday 5th October

Gymnastics club 3.15 pm

Foxes

This week foxes class made a strange discovery. In forest school we found an egg on a nest of quartz stone. The Year fives told us that only dragons lay eggs in quartz stone nests! We will investigate further.

Owls

In the Owl class this week, we have been learning about the natural world around us and making observations about the changes Autumn brings. We have been going on Autumn treasure hunts, recording what we see and collecting autumnal objects to make pictures and collages.

Hedgehogs

This week we have been making the houses for our art project. We had a go at overlapping tissue paper to create a fire effect. We then used black strips to create the house. They are looking amazing. Watch this space for our finished work.

Buzzards

In Buzzard Class, we have been using our understanding of what soluble and insoluble means to create filters. The water started off extremely dirty, but after travelling through our filters made from sand, gravel and filter paper- it appeared clearer.
