Messages from Mr Poultney:

As many of you will be aware, our cake donations today are being donated to the Oscar Saxelby-Lee fund. Oscar is suffering from leukaemia and his parents are desperately trying to raise enough money to fund treatment in Singapore. Thank you for your donations today. As a result, we have raised £145 and hope that the family go on to reach their target. Well done everybody.

Visit <https://uk.virginmoneygiving.com> and search for Hand in Hand for Oscar for the latest on the appeal.

Some of our children have spent time in Forest School planting daffodil bulbs. These were kindly donated by Blue Diamond Garden Centre, based at The Valley. Look out for more information on this in the coming weeks and the chance for the children to enter a competition to win prizes.

Next week sees the first of our parents' evenings. Please ensure you keep your appointment and arrive on time. Note that slots are a maximum of 10 minutes. If you feel you need more time then arrange a separate appointment so that the schedule can remain on track and everybody gets the same opportunity. Also, note that children are not invited to parents' evening.

Have a super weekend and we shall see you all on Monday.

Letters sent out this week:

- Flu Vaccination letters
- Sea Life Centre Flyers for Halloween
- Dinner Forms for Autumn Term 2
- Matts Fiddes Martial Art Flyers—please note this is NOT the same person as before. Matt Fiddes is a very successful franchise.

Alps

This week in literacy we have been making silly soup with words that rhyme. We have made a poster and talked about how to take care of our aqua dragons. If you would like to send in pictures of your pets at home we will be talking about how to take care of our pets and look after animals, including George the class dragon. In maths we are looking at the number 5 and learning to make it in different ways using our fingers, pegs and coloured counters. We also went on a number 5 hunt to find as many sets of 5 as we could.

Rockies

Rockies Class have been learning to ask each other their names and ages in French this week. Tres bien, Rockies! Maybe try this at home.

Himalayas

Over the past few weeks in PE, class 4 have been improving their fitness and stamina levels. Our PE coach, Dan, awards two medals for pupils who have stood out for their hard work during the lesson. In English, we have been writing super newspaper reports about Ralph the featherless penguin.

Atlas

This half term we have been learning to play the ukulele with our music teacher, Mrs Jones. We each have a ukulele and we are learning to play the C and F chords in time to music.

School Photos

Timelock Photography will be coming to school on Thursday 17th October in the morning. All pupils will have individual and sibling pictures taken on this day. If you have younger siblings (below school age) then as in previous years, the opportunity to have pictures taken from about 8.30 am will be there. Pre-School children will be included in the general 'run' of things.

Halloween Disco

The Youth Club will be holding a Halloween Disco for all children of Broadway First School on Wednesday 23rd October from 5.30 pm—7.00 pm. Tickets will be £3 each and will include sweets, a drink and a glowstick. All tickets will go on sale the week commencing 14th October before and after school on the playground. In between times, tickets can be purchased from the school office. Please note tickets will not be issued without full payment. If you are able to help out at the disco please see the office who will be pass your details through to the organisers.

Spare Clothes

If your child has an 'accident' in school and has to change their clothes/underwear, please can you make sure you **return any borrowed items as soon as you are able** as we have a very limited supply.

If your child is prone to accidents please make sure you send in a change of clothes, especially underwear which can be kept on their peg.
