Morris	403
Eadburgha	400
Lygon	424
Russell	424

Letters sent home this week:

- Year 4 Cross Country Letter
- Flyer from The Book People

Messages from Mr Poultney:

I hope you all had a lovely half term break and have settled back into the school week.

This week saw Bob, who has visited school regularly to share his gardening expertise pop in to work with Himalayas class. We recently received a number of daffodil bulbs from the garden centre based at The Valley in Evesham. Bob worked with our Year 4 and 5 children to plant these up. I'm sure they will look great come springtime.

We also had our first Inspire Workshop of the year as Himalayas class invited parents in to get their Roman topic up and running. It seems there was a lot of fun had as challenges were set to earn materials to make a pair of Roman sandals. There were some very creative efforts on show so well done to everyone. Check the calendar as the other classes have their workshops fast approaching.

Finally, a huge thank you to Gren Spriggs who has kindly given us a new set of pegs for Rockies class. We all appreciate your generosity and the children were extremely excited to return to school to see their new cloakroom. Thank you.

Alps

Class 1 have been introducing our class topic and talking about what we know about zoo animals. We have begun to learn the story of Dear Zoo using Makaton animal signs. We also made beautiful firework and bonfire pictures for Guy Fawkes celebrations. In maths we are looking at the number 6 and have been practising to recognise dot patterns up to 6.

Himalayas

This week, we have started our new science unit: sound. This involved us looking at what happens to rice on a drum when it is hit and using our voices to make low and high pitched sounds.

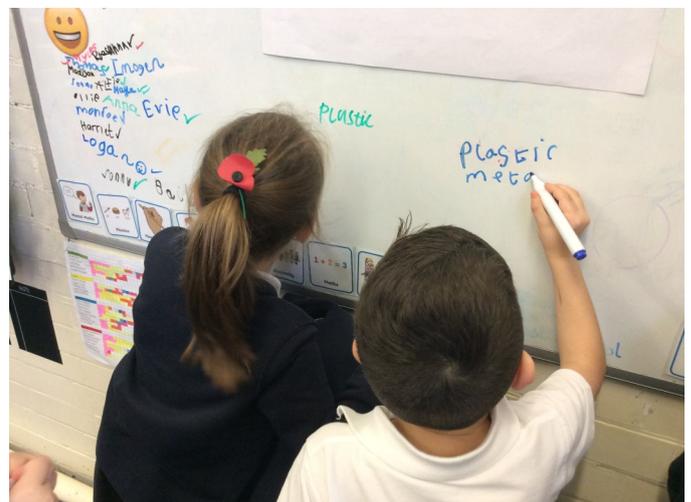

Atlas

This term our new topic is The Stone Age. To understand how long ago this period of time was, we looked at ordering different historic events in chronological order. We then drew a timeline to show how long The Stone Age was compared to the length of our lifetimes!

Rockies

In Science this week, we have started our new topic on materials. We looked around our classroom to see what materials we could find. Have a look around your house to see what you can find.

School Photographs

The proofs for the school photographs recently taken will be sent out next week. Timelock Photography will ensure the orders are fulfilled in plenty of time for Christmas gifts, etc.

Children in Need

We will be holding a non-uniform day for Children in Need on Friday 15th November. All children are invited to come in their own clothes in exchange for a £1 donation to Pudsey Bear.

Inspire Workshops

Inspire Workshops are now underway with a further two happening next week. Class 1 is on Thursday 14th and Class 3 on Friday 15th. All the workshops commence at 9.00 am and last approximately 30—45 minutes depending on the activity set.

Friends of Broadway First School

Since the previous newsletter we have had a couple of volunteers come forward to join the Friends. However in order to get up and running again we still need a few more. If you could spare a few hours and would like to help raise funds for the school, please get in touch via the school office.

Smart Trees Trip for Reception, Year 1 & Year 2

The following trip is due to take place on Monday 16th December. Please note ALL children going on the trip will need to bring a named packed lunch on this day (even if you are free school meals), as the trip is a full day out. Once the decision has been made whether the trip is going to go ahead, any lunch orders placed with Class Catering will be cancelled.

Pre-School Bookings

Please note we are now taking bookings for the next academic year . If you have a child who will be 3 years old by September 2020 and would like a place, please contact the office as soon as you are able as we have a limited number of children we can accommodate.

Next week:

Monday 11th November	10.45 am Remembrance Service 3.15 pm Football
Tuesday 12th November	3.15 pm Glow Dodgeball
