**Forest School in September**

Our Year 2 children will be taking part in forest school on Friday afternoons starting 4th September. Please can you send in some old clothes and a pair of wellies in a named bag on this day for your child.

**School Fruit Scheme**

The key stage one school fruit scheme for morning break is not currently back up and running. Therefore, please could you send in a healthy snack for breketime with your child until we notify you otherwise.

We wish you all a safe and happy summer and look forward to welcoming everyone in September.

Messages from Mr Poultney:

Another school year has come to an end in circumstances no one could ever have predicted. The last few months have been an extremely testing time for everybody. I would like to thank all those parents and children that have continued to support home learning throughout the lockdown period and also those families that have co-operated to ensure our measures in school have been effective. The intention is for everyone to return in September. The school's plans for this are awaiting approval from Worcestershire Children's First. Whilst we will endeavour to make school as normal as possible there will be significant measures in place such as drop off and collection and I will need your support more than ever to ensure we start the new year successfully.

Back to this year. Lygon (yellow) won the House Cup with 1159 points. It was very close, with both Russell (red) and Eadburgha (green) managing 1157 points. Well done to everyone but in particular those of you in Lygon.

Finally, we say goodbye to Miss Ackland today. She joined us in January to work with Class 2 and she have been a valuable asset during the lockdown period working with our key worker group.

We also say goodbye to our Year 5 children. You have been fantastic and you will be missed by us all. Good luck to everyone.

Sports Day 2020

## Alps

Class one had a lovely last week making fairy bread with sprinkles, exploring the jelly bath and being busy creating some props for the new Starfish door. Have a wonderful holiday!

## Rockies

This week we have been reflecting on our school year and thinking about all we have achieved. We have also been thinking about what we want to learn next year. In school, some children went to Forest School and had a mini sports day.

## Key Worker Group 2

Our final week of term has been really fun!! We have taken part in a maths treasure hunt, made (and ate) cookies and searched for newts in the pond. We also talked about all of our memories this year and added them to a new time capsule; we measured ourselves against last year's piece of string and saw how much we've grown!
