Messages from Mr Poultney:

England football star, Marcus Rashford has been in the news many times during the past few months campaigning for better lives for the nation's children. Following his work to provide meals during the holidays, he has now started a book club to encourage more youngsters to read at home.

Last night, Rashford posted the following on Twitter:-

Marcus Rashford MBE @M... · 12h

Is it technically bed time? Parents, carers, tell your little ones if they read a little bit before bed and share a pic with me I'll post it on my Instagram stories

Maybe you're up for the challenge!!!

On a different note, please be reminded that should a child test positive for coronavirus then the school should be informed immediately. If this happens when school is closed then you should use Class Dojo to inform both me AND your child's teacher so that we can contact the outbreak team and respond accordingly. Please remember that the whole household needs to remain at home if anyone tests positive.

Worcestershire has seen further increases in infection rates across the county. There are over 60 schools currently affected by the virus in our county with over 6000 pupils and 300 staff currently self-isolating. Parts of Worcestershire have infection rates above the national average so the message is clear that it is vital that people continue to follow the rules by avoiding contact with others, washing their hands regularly, wearing masks and maintaining 2m distancing wherever possible.

Starfish

This week Class 1 took part in the international nursery rhyme week and enjoyed singing rhymes and making props to act these out. We practised our early writing skills, writing and drawing pictures of simple rhymes as well as using rhymes to learn about one more and one less in maths!

Turtles

What a busy week! We have learnt all about what happened during the Great Fire of London. We looked at different artefacts that they used and had to work out the best way to put out the fire using buckets.

Seahorses

Seahorses have been busy reading the book 'When the Giant Stirred' by Celia Godkin. The book tells us about the legend of a volcano and we have been using it to inspire our writing. We have considered how the people in the story would have felt and we have been practicing using inverted commas to write down conversations the characters might have had.

Sharks

This week, Class 4 have been working really hard on our writing and punctuation. We have been putting commas in the right places to avoid confusion. Ask us what the difference is between 'she loves eating, her dog and her family' and 'she loves eating her dog and her family'. We have also started our new genre (recounts) and have written complaint letters from a disastrous cinema trip!

Broadway Living Advent Calendar—message from St Michael's Church

This year due to Covid-19 it's going to be harder to gather together to celebrate Advent and Christmas. So we have organised a Living Advent Calendar in Broadway.

Just like a normal Advent Calendar, each night from 3.00 pm—9.00/10.00 pm. A new window in Broadway will be lit up with a Christmas scene/picture. If you chose to share this through social media, please use the hashtag **#BroadwayAdventCalendar** so we can see people's pictures and windows.

We hope you enjoy the discovery of Christmas in our community this year.

Follow the stars on the map to find the windows lit each day leading to Christmas Day

Help One Person Eat Campaign

Broadway Community Christmas Hamper (foodbank) is a community project giving help and support to families and individuals experiencing a financial crisis. Due to Covid-19 the church are appealing for cash donations this year, not food. All donations will then be used for the church to purchase goods collectively and make up individual hampers for those in need.

Please see the attached poster for the full details.

Remembrance Day

Rooftop Housing would like to thank parents and children alike, who have supported us within their Care setting. Look out for the displays in various areas around the village too!!

say a sincere thank you to everyone, who helped make Remembrance Day a success
